Any questions and requirements please contact us or directly talk to us .

FAQ

Q: How about the price?

A: Really competitive! Our company are near the origin of steel and we have big order amount, so we get relatively cheaper price of steel raw material ; low labor cost and near Ningbo sea port are also our advantages.

Q: How can we ensure the quality ?

A : First, Only qualified raw material with certification is acceptable.

Second, quality check is operated by hand.

Three, free samples are always available.

Fourth, once quality problems occur, just sent us pics for confirmation, once confirmed, money or goods will be given as compensation.
