

Flat Prestressed PC Strand Coupler Connector Concrete Post Tension AISI 1045

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Ningbo China
- Brand Name: NC139
- Certification: ISO 9001
- Model Number: 139
- Minimum Order Quantity: 1 pcs
- Packaging Details: Customized
- Delivery Time: 25 days
- Payment Terms: T/T, L/C
- Supply Ability: 150,000 pcs per month

Product Specification

- Shape: Flat
- Material: AISI 1045
- Hardness: 20-35HRC
- PC Strand Diameter: 12.7mm-15.7mm
- Elongation: $\geq 2\%$
- Strength: 1860MPa
- Highlight: **post tension accessories, prestressed anchorage**

Product Description

Flat Prestressed PC Strand Coupler Connector Concrete Post Tension AISI 1045

Description

The post tension strand coupler is the result of a constant, ongoing evolution in Materials, Equipment and Techniques, focusing in field installation simplicity, while assuming the necessary requirements of quality, safety, serviceability, practicability and durability of structures in which they may be used, otherwise stated in the main international post-tensioning standards.

Usage

1. lengthening connection of prestressed concrete continuous structures.
2. for single prestressed reinforcement connections.
3. for bunched prestressed reinforcement connections.
4. for tool type single prestressed reinforcement connections in pretension.
5. for all kinds of continuous girder structure.

Features

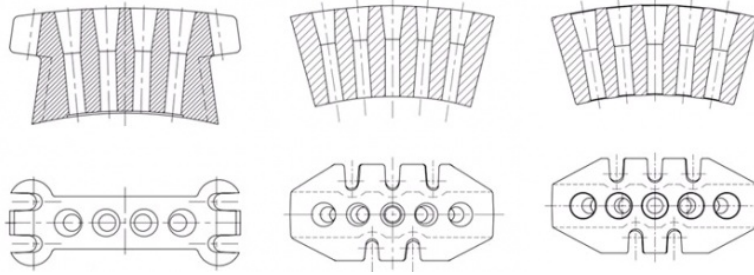

100% Safety protection to installation worker.
Tape and grout tube size can be redesigned according to customer's requirement.
Meet GB / ISO /ASTM / SGS /AS Standard.

Product Details

Place of Origin:	Ningbo, China
Application:	concrete works usage
Standard:	ASTM / BS / JIS / GB / AS
Wedges:	2pcs or 3pcs
Applied in PC strand diameter:	9.3mm, 12.7mm, 12.9mm, 15.2mm, 15.7mm, 17.8mm, 18.5mm, 21.6mm, 21.8mm, 22mm.
Holes for anchorage:	From 1 hole to 55 holes
Packaging:	Wooden Case or in box
Delivery Time:	up to your quantity
It can be used with anchor plate, spiral bar and other anchorage system together	

Technical Drawing

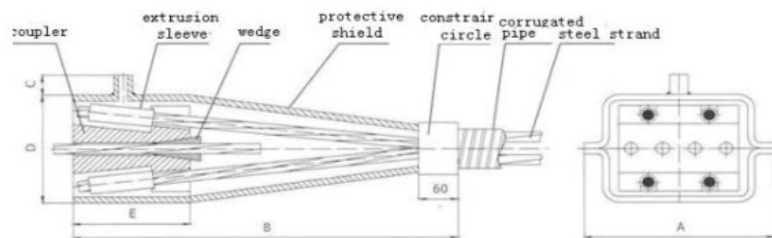

COMPATIBLE PRE-STRESS PARTS

PC Strand	Wedge	BARRELS
12.7mm/15.2mm/15.7mm(UK)	12.7mm/15.2mm/15.7mm(UK)	05 Barrels/06 Barrels

Our Service

We provide after-sale service, technical support, personalization and processing, production on-demand and strictly in accordance with the buyer requirements to provide quality services. Provide engineering construction for bridge, railway, building etc, and maintenance and reinforcement of bridge. We have a strong engineering team who are all qualified and resolve kinds of problems during construction.

Package

For every order, we will use standard export package with wooden case. We can also packed as per customers' requirements.

Shipping

For sample, it will be delivered by airplane or by courier, such as DHL, TNT, FEDEX and so on.
For order, it will be delivered by airplane or by ship.

Payment

We accept T/T, L/C, Western union, 40% as deposit and balance payment before delivery.
