

## Grey Cast Iron Valve Body Casting Stainless Steel Butterfly Valve Disc Valve Plate

### Our Product Introduction

#### Basic Information

- Place of Origin: Ningbo China
- Brand Name: NC158
- Certification: ISO 9001
- Model Number: 158
- Minimum Order Quantity: 1 pcs
- Packaging Details: Wooden Caes or customized
- Delivery Time: 25 days
- Payment Terms: L/C, T/T
- Supply Ability: 80,000 pcs per month

#### Product Specification

- Part Name: Butterfly Valve Disc
- Material: Stainless Steel
- Surface Treatment: Sand Blasting, Polishing, Acid Washing
- Color: White Or Customize
- Usage: Assembly Butterfly Valve
- Service: OEM/ODM
- Highlight: valve parts casting, sand casting process

## Product Description

### Grey Cast Iron Valve Body Casting Stainless Steel Butterfly Valve Disc Valve Plate

Stainless Steel Investment Precision Casting widely used for Auto parts, Marine hardware, Building Hardware, Furniture Hardware(Door and Window Accessories), Lighting Hardware, Fire Fighting Equipment Hardware Fittings, Valves, Pump Parts, Machinery Parts, Food Machinery Parts, Hardware Accessories, Medical Equipment Hardware, Tableware Hardware, Pipe Joints and Fittings, Glass Curtain Wall Hardware Fittings, Bathroom Hardware, Coffee Machine Accessories, Locks Hardware.

We are specialized in producing various kinds of sand casting parts. Products are mainly including Gray Iron, Ductile Iron and Cast Steel casting parts for tractors, trucks, agricultural, construction, mining machinery, stove and boilers, pump, valve, tugboat, electrical facilities, cranes, machines, cars, cooking ware, excavators, Valve and valve part, Pump and Pump parts, Gearbox housing, flange, pipe fittings.

Our production process have Sand Casting, Lost Wax Investment Casting, Water Glass, Silica Sol Precision Casting.

Casting materials are available with gray iron, ductile iron, stainless steel, Cast Steel, Carbon Steel, Alloy Steel, Mild Steel.

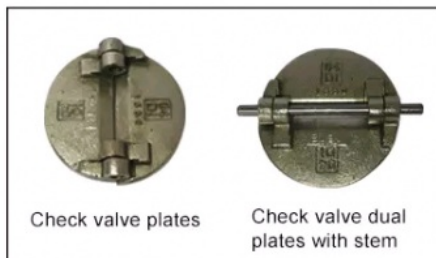

### Specification

Material	Body	Grey Cast Iron, Nodular Cast Iron, Carbon
		Steel Stainless Steel, Aluminium, Bronze
	Seat	NBR, EPDM, CSM, FPM, VSI.
	Bearing Bush	Brass, PTFE
	Disc	Steel, Stainless Steel, Aluminium Bronze, Nodular Cast Iron
	Shafts	Stainless Steel, Carbon Steel, Aluminium Bronze
	O-ring	NBR, FPM
	Sleeve	Stainless Steel
Certificate	BSI, ISO9001:2008, FM, UL	
Application	Sewage, Sea Water, Air, Vapor, Food, Pharmacy, etc.	
Package	1. Carton without pallet	
	2. Carton with pallet	
	3. Wooden Case	
Related Product	1. Carbon Steel Nipples, Sockets	2. Flanges
	3. Carbon Steel Butt-Welding Fittings	4. Pipes
	5. High Pressure Fittings	6. Valves
	7. P.T.F.E. seal tape	8. Brass Fittings
	9. D.I. Pipe Fittings	10. Copper Fittings
	11. Grooved Fittings	12. Sanitary Fittings

Gate valve disc

Disc with bonnet, stem and hand wheel

Check valve plates

Check valve dual plates with stem

### Quality

We have a full set of quality control system to guarantee best product quality. Depending on the products, we can make different Item Testing Plan, Manufacturing procedure etc. Also we have professional inspectors, who can insure that all our products are qualified.

### Packing

Pallet, wooden case, paper box etc or as customers' requirements.

## Our Service

### Reliable Quality Control

- a. QIS system to drive the process control and final inspection
- b. Sufficient inspection tools for quality verification
- c. Internal SIP/SOP to conduct the operation
- d. Qualified personnel to perform QC process

### Competitive Cost

- a. Professional team support for production craft
- b. Continuously seeking approaches for cost saving
- c. Abundant natural and industrial resource locally

### Efficient Communication

- a. Well trained staff team
- b. Fully aware of international business practices
- c. believe in efficient communication = Mutual success

### High Efficiency Management

- a. Office Automation system
- b. Project management
- c. Data warehouse to support performance measurement
- d. BI to support performance measurement
- e. The balanced Score Card implementation

### One-Stop Service

- a. Design assistance from idea to final products
- b. Project management
- c. Value-added approaches
