Product Description

Garden / Street Cast Iron Light Pole Round Base Lantern On Top European Style

Product Details

Size: H 104 in. x W 17 in. x D 13 in.
H 264.16 cm x W 43.18 cm x D 33.02 cm

Beautiful 4 sided coach light lamp post, made of cast iron with bronze look painted finish.

Finished in a black-oxide or red-oxide.

Featured cast iron base with 3 x fixing holes, a cast iron column, ornamental ladder / cross rail and a classical, 4 x sided 12" x 12" lantern top which we have glazed in a clear glass.

Simple to erect but we recommend that they be installed by a qualified electrician.

FAQ

A2: How can I get a price of light pole?

Q2: Please send us the drawing with all the specifications, we will give you an exact price. Or please give the dimensions such as height, wall thickness, material, top and bottom diameter.

A3: We have our own drawing. Can you help me to produce the sample which we designed?

Q3: Yes, we can. Our mission is to help customers to be successful. So it's welcome if we can help you and make your design come true.

A4: I am a small wholesaler. I am doing small projects. Do you accept small order?

Q4: Yes, we do accept MOQ 1 set. We would like to grow up with you together. Many of our regular customers grow up with us under our full support.

A5: What kind of surface treatment do you apply?

Q5: For the stainless steel, we will have polished finish and satin brush finish.

For the aluminium, we have satin brush finish and powder coated.
