### About Us

We strive to recreate the most authentic heavy duty vintage style lamp posts available. With decades of manufacturing experience and expertise each lamp post is rigorously created using traditional methods and materials Each old style lamp post features a robust, high detail cast iron base with central channel to feed electrical cable.

The lamp post is cleaned and pre treated to ensure maximum life span, finally we use a traditional powder coat process to add the final protective layer to these vintage lamp posts. If you're looking for something which will undoubtedly remind you of old fashioned street lights, these lamp posts are perfect.

### Advantage

- A. Classic designs and best quality at competitive prices
- B. Hundreds of different styles for wide choice
- C. traditional or antique imitation colors at option
- D. Reliable service with prompt and close cooperation.

Any other hot selling lamp post we've made:
