

4 Way Fork Head Prop U Head System Scaffold Components For Formwork H 20 Beam Support

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Ningbo,China
- Brand Name: NC501
- Certification: ISO9001,CE
- Model Number: 501
- Minimum Order Quantity: 1000 pcs
- Price: \$1-50
- Packaging Details: Wooden Case
- Delivery Time: 35 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs per month

Product Specification

- Part Name: Fork Head
- Material: Q235 Steel
- Surface Treatment: EG/HDG/Painting/Powder-coated
- Thickness: 6mm
- Application: Used In Shoring Prop To Hold The Beam
- Weight: 2.5kgs
- Size: 165*85mm
- Feature: Antirust, Skidproof
- Highlight: scaffolding fittings, scaffolding parts

Inquiry service:

Accept user's enquiries by all kinds of ways and establish user's product cognition. Provide all kinds of product data and let customer understand characteristics of product.

Pre-sale service:

Accept inquiry of customers ,confirmation of investment advice of choice of product ,assist the customers to design the workshop

In-sale service:

Sale of product, help customers build the base ,technical training of customers' workers ,practice of operation ,help to install ,train the operators in the workshop.

After-sale service:

24 hours service of technology inquiry, instant components supply, regularly technical service guidance of maintain, long distance malfunction control.

Unique service:

System up-grade, special design according to the customers' requirement, mould renew ,supply new technology and products information.

FAQ

Q-Are the measurements and dimensions correct on your products?

A-All sizes are approximates, we always try to keep the dimensions as precise as possible

Q-What's your payment?

A-Paypal, Visa, L/C, T/T, Escrow etc

Q-Could you supply free samples?

A-Yes

Q-What's transportation do you have?

A-Ocean, air and courier
