

GGG25 Ductile Iron Sand Casting Gravity Casting Reducer Shell For Auto Spare Parts

Our Product Introduction

Basic Information

- Place of Origin: ISO9001,CE
- Brand Name: NC209
- Certification: ISO9001,CE
- Model Number: 209
- Minimum Order Quantity: 100 pcs
- Price: \$1-50
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 monthly

Product Specification

- Part Name: Rear Axle Gears Reducer Shell
- Material: GGG25
- Surface: Shot Blasting Or Powder Painting
- Process: Gravity Sand Casting
- Application: Auto Parts
- Service: OEM
- Standard: ASTM
- Highlight: GGG25 Ductile Iron Sand Casting,
GGG25 Gravity Casting Reducer Shell,
Ductile Iron Sand Casting Reducer Shell

Product Description

GGG25 Ductile Iron Sand Casting Gravity Casting Differential Shell Reducer Shell for Auto Spare Parts

Company Information

We are the manufacturer. We can supply all kinds of machine tools castings, aluminum casting, steel castings, ductile iron and grey iron castings. We have special engineers and technicians who have 20 years experience.

In our factory, all the products can be customized, we also can produce the special sized product according to customer's drawings or discussion by both parties. We can produce the whole machine tools assembly.

We are always ready for supplying reasonable price and circumspect after service.

Product Details

1, Lost Wax Process(soluble glass): wax injection, wax welding, dipping, sand-coating, shell-making, dewaxing, cleaning, pouring, cutting, reshaping, machining.
2, Materials: carbon steel, alloy steel, cast iron, cast steel, pig iron, grey iron, ductile cast iron and so on.
3, Has established efficient quality system and obtained international approvals ISO9001, TUV-PED, BV.
4, Produced by experienced technical staff.
5, Production capacity: more than 8,000MT per year for agriculture machinery parts.
6, Small orders accepted.
7, Perfect facilities for agriculture machinery parts.
8, Advanced machining equipment for agriculture machinery parts.
9, Material standards: GB,DIN,EN,NF,ISO,JIS,SS,BS,AISI,SAE,ASTM,UNS,ACI

Our Service

Quality Control

Our company have a large number of the Quality Control Engineers, and we also have a lot of high precision testing equipment. such as: three coordinate measuring system, spectrograph, Optical Brinell hardness tester, tensile testing machine, air-gauge, Dial bore gauges, Inside Micrometer etc.

Our Advantage

- 1).We are one of the leading manufacturer and exporter with a history of more than 20 years, enjoying an excellent reputation and keep a good relationship with many foreign companies, especially in Japan, Europe, America and Southeast Asia.
- 2).We have a lot of high precise Machining equipment and high precision testing equipment, our manufactory also have a large number of engineers. we can provide the best products and the best service for you.

Our Promise

- 1).The delivery time and the package can be controled according to the customers' requirement completely.
- 2).we will produce the products seriously according to the drawings, and make sure all the products is suitable for the customers.
- 3).We will communicate with the customers all the time about the products, we will send the pictures to the customer

FAQ

How can I get some samples of Iron casting,cast ductile iron,cast grey iron part?

If you need,we will offer you samples for free,but new customers are expected to pay express charge.

Do you provide customized parts?

Yes,Customers give us drawings and we will manufacture accordingly.

Can you make castings based on our sample of Iron casting,cast ductile iron,cast grey iron and cast steel part?

Yes,we can make measurement based on your samples to make drawings.
