

Cast Steel Sand Casting Process Shifting Fork For Mining Machinery Spare Parts

Our Product Introduction

Basic Information

- Place of Origin: Ningbo, China
- Brand Name: NC017
- Certification: ISO9001, CE, SGS
- Model Number: 017
- Minimum Order Quantity: 100 pcs
- Price: \$1-50
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs per month

Product Specification

- Part Name: Shifting Fork
- Material: Cast Steel
- Process: Coated Sand Shell Casting
- Application: Ore Mining
- Finish: Sandblast
- Size: OEM
- Highlight: **steel investment casting, investment and precision casting**

Product Description

Sand Shell Casting Shifting Fork for Mining Machinery Spare Parts

Description

Material	Carbon steel
Standard	DIN, ASTM, BS, JIS etc.
Process	Sand casting, resin bonded casting, investment casting (lost wax casting), die casting, pressing & forging.
Surface treatment	Polishing, sand blast or according to customer's requirements
Machining	Complete machining such as Machining center, CNC, Lathe, Milling machine, drilling etc.
Size and design	As per the customer's drawings and requirements
	As per the customer's samples
Packing	Normal export packaging
	As per customers' requirements
Inspection	Foundry in-house
	Third Party inspection available upon customers requirements

About Us

There are 500 staffs and 40 engineers now in our company. Its annual production capacity for all types of investment casting is about 3000 tons.

Holding over 100 sets of advanced investment casting, machining and test equipments, it works strictly according to ISO9001:2000 quality system.

It is also equipped with many advanced CNC machining center, CNC turning center, CNC milling machine and CNC lathes.

It can do the heat-treatment, electricity polishing, mirror polishing and CNC machining at the request of clients.

Main Products

Products: turbocharger or supercharger, turbine blade, turbo impeller, nozzle, stainless steel valve, stainless steel pipe fittings, flanges, marine hardware, automotive parts and construction hardware.

Service

1. Your inquiry related to our product & price will be replied within 24 hours. (E-mail or TradeManger)
2. Well-trained & experienced staff are to answer all your inquiries in English.
3. Working time: 8:30am – 5:30pm, Monday to Friday (UTC+8).
4. Your business relationship with us will be confidential to any third party.
5. Good after-sale service offered, please get back if you got question.
6. Welcome to our company.

Facility

1. Casting facility: wax injector, moulding line, electric induction furnace, heat treatment furnace, shot-blasting machine, sand-blasting machine.

2. Machining facility: CNC, NC lathe, ordinary machine tools, polishing machine.

FAQ

1. What is your products advantage ?

- A. All kinds of size as customer's requirements;
- B. Small quantity trial order is welcome
- C. Customized design is available and free, Such as Color, Logo, Panel, Load and Dimension etc.
- D. Quality control and quick delivery
- E. Good after sales service

2. What is your payment ?

T/T, L/C, Western union or as customer's requirements.

3. How long is your delivery time?

Different products have different delivery time. The products will be delivered as soon as possible on the basis of the quality assurance .Usually the delivery time is within 20-25 days after we received your deposit.

4. Can I get some samples free?

Free sample can be provided if you require to check the quality.
