

15 / 17mm Ductile Iron Scaffolding Accessorie Water Stopper Water Barrier

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC354
- Certification: ISO9001,SGS
- Model Number: 354
- Minimum Order Quantity: 100 pcs
- Price: \$1-50
- Packaging Details: Wooden Case
- Delivery Time: 25 days
- Payment Terms: T/T, L/C
- Supply Ability: 80,000 pcs monthly

Product Specification

- Part Name: Water Stopper
- Material: Ductile Iron
- Size: 15/17mm
- Weight: 0.4-0.5kgs
- Application: Formwork System
- Sample: Free
- Highlight: scaffolding fittings, formwork accessories

Product Description

15 / 17mm Tie Rod Formwork Accessories Water Stopper Water Barrier

About Us

Sunrise Foundry provides services in designing of Scaffolding and Formwork products. We provide Technical services to clients in order to assist them with their requirements.

Our main objective is to provide the most secure, economical and easy to use scaffolding and formwork systems to satisfy our clients requirements.

Our Scaffolding system, Formwork system and Adjustable steel shoring prop system are all manufactured in accordance with the standard of BS1139 and EN-74.

90% of our products are exported to overseas markets, mainly including Europe, America, South Asia, the Middle East and other areas.

Application

The Tie rod system accessories are produced from heavy duty materials to meet higher strength requirements arising from thicker wall, bridge, tunnel, and other formwork structures.

| | |
|--------------------------|---|
| Product Name | Water Stopper |
| Process | Ductile Casting |
| Safe working Load | 90 KN |
| Threading | Suitable for 15/17 mm tie rod |
| Surface Finish | Electroplated / Painted / Hot Dipped Galvanized |
| Process of Manufacturing | Casting |
| Standard Packing | 50 Pcs / Bag |
| Feature | Good Bearing Capacity, Durable & Stable |

FAQ

Q: What is the main business of your company at present?

have over 25 years of experience in the production of scaffolding and cast iron parts. Our main products: the scaffold system fitting, formwork system products, scaffolding casters, industrial casters, little pipe for detonator and common hardware products.
