FAQ

Can you use my own design?

Yes. Bring us your idea or design and we can make it . Otherwise we can work together to design your unique wrought iron design.

What are your products made of?

Our products are produced from either steel or iron.

How can we install?

We can supply it to you and you can fit yourself, meanwhile we give you the guidance of installation.

What is your normal lead time?

We can turn most projects around in 3-4 weeks after client approval and site measure. However, actual jobs may vary, depending on the size and complexity of the project and the volume of work in our queue
