

Cold Forging Spherical End Hexagonal Nuts Domed Nut Rock Bolt System 25mm 32mm

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC761
- Certification: ISO9001,CE,SGS
- Model Number: 761
- Minimum Order Quantity: 100 pcs
- Price: \$1-5
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 80,000 pcs monthly

Product Specification

- Name: Dome Nut
- Production Process: Cold Forging
- Application: Construction, Concrete, Building
- Surface Treatment: Hot Dipped Galvanized Or Not
- Diameter: 15-63.5mm
- Standard: KSD,JISG, CAN, BS, ASTM, DIN
- Highlight: scaffolding fittings, formwork accessories

Product Description

Rock Bolt System 25mm 32mm Spherical End Hexagonal Nuts Domed nut

Description

Name: 25mm 32mm Spherical End Hexagonal Nuts

Strength Grade: PSB500,PSB785,PSB830,PSB930,PSB1080

Length:1-12m

Diameter: 15mm,20mm,25mm,32mm,36mm,40mm,50mm,63.5mm

The High Tensile Screw Thread Steel Bar for the prestressing of concrete manufactured features a right-hand thread over its full length and can be shortened in any lengths according to customer's request,cause it can be coupled at any point. It is a kind of low relaxation steel ,a prestressing grade steel.

Product Details

1.Commodity Name:	Domed nut/spherical nut
2.Standard:	As standard ,and ORM service is welcome
3.Material:	S45C,45#,40Cr with heat treatment
4.Grade:	Can work with PSB500 PSB830 PSB930 PSB1080grade thread bar
5.Surface Finish:	Black, Zinc plated, HDG,Daromet etc
6.Size:	M15-M50,also can offer as customer drawing
7.Supply Ability:	500T/month
8.Certificate:	ISO9001:2008;
9.Packing:	By carbon and pallet or according to client's requirement

Our Advantages

Professional manufacturer with powerful manufacturing capacity.
Extensive and comprehensive quality control system.
High quality excellent products with competitive price.
Efficient service on pre and after sale, always available for to serve you.
Fully energetic with highly qualified experience team.

FAQ

How about the quality?

Each product of Yidao undergoes strictly professional QC management, methods below is also available:

- Certified in accordance to ISO 9001
- Third-party inspection accepted
- Factory & warehouse opened to your visit

What's the time of delivery?

We guarantees the delivery of products within 30 days.

How can I get the samples?

Samples are available for free with prior notification and will be ready in 5 days and dispatched by air or by courier.

How about your payment terms?

L/C at sight and T/T are acceptable.

How is your after sales service?

There are well trained salesman and customer services provide assistance with 7x24h, including insurance, shipping, inspection of quality ,etc.
