

CT5 - CT7 Carbon Steel Investment Casting Machine Tool Accessories Hand Wheel

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC201
- Certification: ISO9001,CE,SGS
- Model Number: 201
- Minimum Order Quantity: 100 pcs
- Price: \$1-5
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 80,000 pcs monthly

Product Specification

- Material: Steel, Carbon Steel, Alloy Steel
- Application: Machinery Parts
- Process: Precision Casting
- Casting Tolerance: CT5-CT7
- Surface Treatment: Powder Coating, Painting, Zinc/nickle Plating, Phosphating,
- OEM: Available
- Highlight: **steel investment casting, investment and precision casting, lost wax casting**

Product Description

Carbon Steel Investment Casting Machine Tool Accessories Hand Wheel

Product Details

Name	OEM Carbon steel investment casting machine tool accessories hand wheel
Material	Carbon steel, stainless steel, alloy steel,
Standard	DIN, ASTM, BS, JIS etc.
Process	Sand casting, investment casting (lost wax casting),
Surface treatment	Polishing, sand blast or according to customer's requirements
Machining	Complete machining such as Machining center, CNC, Lathe, Milling machine, drilling etc.
Size and design	As per the customer's drawings and requirements
	As per the customer's samples
Packing	Seeger normal export packaging
	As per customers' requirements
Inspection	Foundry in-house
	Third Party inspection available upon customers requirements

About Us

We are producing many kinds of casting parts, including green sand casting, resin sand casting, lost wax steel casting and silicon sol casting.

Raw materials which we could cast:

Grey iron, ductile iron, carbon steel, alloy steel, and stainless steel.

We have 25 years' experience in customized metals parts. We sincerely hope to establish a good relationship with the customers from all over

the world. Welcome to visit our factory for anytime.

Workshop

Our Service

Professional manufacturer with powerful manufacturing capacity.
Extensive and comprehensive quality control system
Excellent products with competitive price.
Efficient service on pre and after sale.
Full energy with affluent experience team.

FAQ

Q: Do you test your products before shipping, what if there is any quality problem?

A: We 100% test our products before shipping. If any quality problem does happen, we will replace all the faulty ones at our shipping cost, or refund to you.

Q: What about lead time?

A: For first order, usually lead time around 45-60 days. For repeat order, usually around 30-45 days.

Q: Do you make custom parts?

A: Absolutely definitely YES! Outperforming the factory original is what we do. We could make parts according to your sample or drawing, and we could offer suggestions on how to design the products to make it stronger!
