

Construction Building Scaffolding Accessories Formwork System Rapid Wedge Clamp

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC623
- Certification: ISO9001,CE,SGS
- Model Number: 623
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 90,000 pcs monthly

Product Specification

- Item Name: Formwork Rapid Clamp
- Material: Ductile Casted IronQ450-10
- Process: Sand Casting
- Application: Formwork System
- Color: Blue ,silver Galvanized Or Colorful Galvanized
- Sample: Available
- Highlight: **scaffolding fittings, scaffolding parts**

Product Description

Construction Building Formwork System Rapid Clamp Wedge Clamp

Product Details

Scaffolding Part Type	Scaffolding rapid clamp
Item name	scaffolding cast pin wedged clamp
Material	Q235/ductile cast iron/45#steel
Surface	Electric Galvanized/painting
Weight	510g
Application	Formwork clamp
Port	Qingdao
Payment	L/C,T/T
Shipment	FOB,CIF,EXW
Package	Steel pallets or as required
Delivery Detail	15-20days

Application

Our Service

Competitive price --Direct supplier so the price will be very competitive.

High Quality-----Advanced technology, first-rate facilities and strict testing process help us guarantee the high quality of our products.

Prompt delivery----We are a manufacturer with high technology and experienced workers, guaranteeing the fast production, so the delivery is also prompt.

Good reputation----We have rich experience in manufacturing concrete hardware accessories. Our clients from Germany, Australia, North America and Asia always put their trust in us.

Production Equipment

We have full set of production equipment, including model machine, punching machine, rolling machine, sand blasting and etc. These production equipments will show how the products are produced and we also can produce as your requirements using these equipments.

Research & Development

Our factory have our own R&D person and moulding workshop, all production problem and researching work could be solved and done by ourselves.

Quality Control

Recognizing that quality control is a key factor that determines success in overseas markets, our factory uses state-of-the-art facilities to ensure products meet the standards in the United States and European countries.
