

Sand Casting Grey Cast Iron Casting Corner Bracket With High Precision

Our Product Introduction

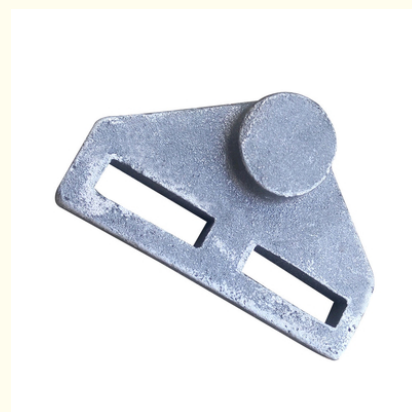

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC672
- Certification: ISO9001,CE,SGS
- Model Number: 672
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 80,000 pcs monthly

Product Specification

- Highlight: gray iron casting process, green sand casting, gray cast iron castings

Product Description

Cast Iron Sand Casting Corner Bracket Casting Metal Foundry Supplier

Product Details

Main blank Process for Casting	Sand Casting , Resin Sand Casting, Green Sand Casting, Shell Molding, Automatic Molding, Lost Wax Casting, Lost Foam Molding Casting etc.
Blanks Tolerance - Casting Tolerance	CT9-10 for Machine Molding Process, CT8-9 for Shell Molding and Lost Foam Molding Casting Process CT10-11 for Manual Molding Sand casting Process
Applicable Material	Ductile Iron Casting, Grey Iron Casting OR According to customer requirement
Casting Blank Size /Dimensions	2 mm-2000mm / 0.08inch-79inch for casting iron, according to customer requirement
Casting Blank Weight	Range from 0.01kg-1000kg for casting iron
Applicable Machining Process	CNC Machining/ Lathing/ Milling/ Turning/ Boring/ Drilling/ Tapping/ Broaching/Reaming /Grinding/Honing and etc.
Machining Tolerance	From 0.005mm-0.01mm-0.1mm
Machined Surface Quality	Ra 0.8-Ra3.2, according to customer requirement
Applicable Heat Treatment	Normalization , annealing, quenching and tempering, Case Hardening, Nitriding, Carbon Nitriding, Induction Quenching
Applicable Finish Surface Treatment	Shot/sand blast, polishing, Surface passivation, Primer Painting , Powder coating, ED- Coating, Chromate Plating, zinc-plate, Dacromat coating, Finish Painting etc.
MOQ of mass production	For frame corner bracket: 100pcs
Lead Time	About 50 days from the receipt date of deposit for frame corner bracket

Workshop

Our Advantages

Low price but high quality products.

Quick response, we can reply you in 24 hours ,no matter any question or need.

Intimate service, always think for our customers.

FAQ

Price:

We will quote the exact price according to the drawings requirements. Because different material , production process, product structure,machining requirements and surface treatment requirements will have different production cost.

Quality:

Control the quality strictly according to the drawing requirements. First study the drawings and quote for customer approval; Second start making the toolings and develop the actual samples for customer approval; Third start batch production and provide the material inspection report and mechanical property test report for every shipment; We have professional quality control team and measurement equipments, also implement strict quality control procedure during samples stage , production stage, and before shipment, to assure the high and stable products quality.

Delivery time:

Generelly within two months, or communicate with customer according to different order quantity.
