

CNC Machining Ductile Cast Iron Front Stage Catalytic Converter Assembly

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC673
- Certification: ISO9001,CE,SGS
- Model Number: 673
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 70,000 pcs monthly

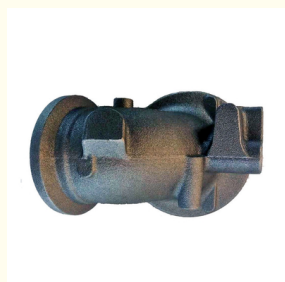

Product Specification

- Item Name: Catalytic Converter
- Material: Ductile Iron
- Service: Drawing Custom
- Grade: High Grade
- Quality Control: Professional Inspection
- OEM: Available
- Highlight: cast iron sand casting, ductile iron sand casting, resin sand casting

Product Description

Ductile Iron Castings Front Stage Catalytic Converter Assembly

Product Details

Material	Ductile iron, grey iron, carbon steel, alloy steel, stainless steel and heat resistant steel etc
unit weight	0.5kg-300kg
Application	Automotive, mining, railway, medical, marine, construction equipment ect.
Standard	ASTM, DIN, ISO, BS, JIS
Certiifcate	ISO9001:2008
Process	Sand casting, forging, investment casting, die casting, CNC machining, stamping
Surface treatment	Electro zinc plated, powder coating, shoot blasting, painting etc
Machining	CNC machining centers for further machining process
Heat treatment	Induction furnace for raw material heating, heat treatment of continuous quench+temper+carburization available
Finish	Powder coating, painting, shoot blasting, hot galvanized
Quality control	Instrument and manual inspection for every shipment
MOQ	500kg
Packing	Packed i carton then in wooden case or pallet

Our Workshop

Our Service

- 1.The leading manufacturer of casting products in China.
- 2.OEM/ODM casting&forging items can be accepted.
- 3.The professional technical engineer team for evaluation before mass production.
- 4.Samples will be tested by lab equipment before every shipment.
- 5.More competitive price compared to the trading companies.
- 6.More prompt delivery compared to the trading companies.
- 7.Quality inspection personnel will be arranged for every order.
- 8.Better after-sale service can be provided compared to the trading companies.

FAQ

Q: Why our product have high quality?

A: Quality insurance(Assembly line production ,high standard and strict inspection requirements)

Q: Why our price is the most competitive price?

A: We directly work with original manufacture.
