

Small Precision Casting Parts Stainless Steel Elbow 90 Degree Pipe Fitting

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC549
- Certification: ISO9001,CE,SGS
- Model Number: 549
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Item Name: Elbow 90 Degree Pipe Fitting
- Material: Stainless Steel
- Technics: Casting
- Surface Treatment: Polish, Coating, PVD, Sand Blast And Etc
- Standard: JIS, ASTM, ATSI, ANSI
- OEM: Available
- Highlight: stainless steel investment casting,
stainless steel precision casting,
lost wax casting stainless steel

Product Description

Precision Casting Parts Stainless Steel Elbow 90 Degree Pipe Fitting Tube Fitting

Product Details

Service	OEM / ODM or Sample Production
Process Technology	lost wax casting process / soluble glass casting process / silicasol casting process/ die casting process /sand casting process / + Precision CNC Machining + Surface Treatment
Material we can cast	(1)grey iron, ductile iron , pig iron
	(2)carbon steel, stainless steel, alloy steel
	(3)aluminum alloy, aluminium, A380, aluminum 6061
	(4)zinc alloy ,copper, brass, bronze etc
Size	Customized as customer's drawings
Weight Range	0.02-50 KGS
MOQ	500 Pieces
Tolerance	±0.02mm
Surface Treatment	Heat Treatment, Polishing, Plating, Machining, Anodizing, shot, sand blasting, zinc plated, oxide, galvanized etc.
Testing	Three coordinate measurement machine for testing.
Certification	ISO9001:2008
Standard	ISO , DIN, AISI, ASTM, BS, JIS, etc.

Prodduction Process

About Us

Our company produces a wide range of products, which can be applied to pump valves, impellers, power equipment, automotive parts, agricultural machinery, railway equipment, flow housing, construction machinery, petroleum machinery and other fields. Customer's special technical design and process requirements can be met. The company's products are exported to the United States, Germany, Japan, the European Union and other countries, and are highly praised and loved by our customers.

FAQ

Can you make casting according to our drawing?

Yes, please offer us 2D or 3D drawings with material, dimension, tolerance, surface treatment and other technical requirements, etc.

Can you make casting based on our samples?

Yes, we can make measurement based on your samples for tooling making.

How can I follow the production process without visiting your company?

We can offer you a detailed production schedule and weekly reports with digital pictures and videos.
