

Metal Investment Stainless Steel Casting Construction Hardware Elbow Parts

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC563
- Certification: ISO9001,CE,SGS
- Model Number: 563
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 90,000 pcs monthly

Product Specification

- Part Name: Elbow Parts
- Application: Construction
- Process: Precision Casting
- Surface Treatment: Polishing
- Service: OEM, ODM, Customer's Drawings, Samples
- Quality Control: 100% Inspection
- Highlight: **stainless steel investment casting,
stainless steel precision casting,
lost wax casting stainless steel**

Product Description

Metal Foundry Stainless Steel Investment Casting Construction Hardware Elbow Parts

Product Details

Processed by	Silica Sol Investment Casting
Machining Selection	CNC machining / lathing / milling / drilling / turning / grinding / shaping / boring
Heat Treatment Selection	Normalizing / Annealing / Quenching / Tempering / Solid Solution / Quenching+Tempering / Precipitation Hardening / Nitriding / Carburizing / Carbonitriding
Surface Finish Selection	Pickling, Passivation, Shot Blasting, Sand Blasting, Grinding, Plating, E-polishing, Mirror Polishing, Dull Polishing, Zinc-plating, Black Oxide, Anodizing Powder Coating, Spray-paint, Cataphoretic, Electrodeposition, Chromeplate, Nickel plating, Teflon Coating
Material Selection	Carbon Steel, Low Alloy Steel, Stainless Steel, Duplex Stainless Steel, Heat-resistant Steel, Tool Steel, Copper Alloy, Aluminium Alloy, Nickel-base Alloy, Cobalt-base Alloy
Material Standard	Including but not limited to: AISI, ATSM, UNI, BS, DIN, JIS, GB for more metal selection, please contact us for the Metal Selection List
Tolerance Standard	VDG P690 D2 Please contact us for our General Casting Tolerance Standard

Product Details

PRODUCTION PROCESS

Mould

Waxes Injection

Starch Dipping

Shell Drying

Shell Baking

Steel Melting & Pouring

Shell Vibrating

Sand Blasting

Ready For Machining

Our Service

1. Rich experience: Our company have exported the product to many countries such as USA, UK, Australia, Japan, South Korea.
2. Safe: We have certificate of the products. So the quality is very good. It is very practical and safe, with different specifications for your choice.
