

Transmission Valve Body Casting Silica Sol Investment Casting JIS / ASTM

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC098
- Certification: ISO9001,CE,SGS
- Model Number: 098
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 90,000 pcs monthly

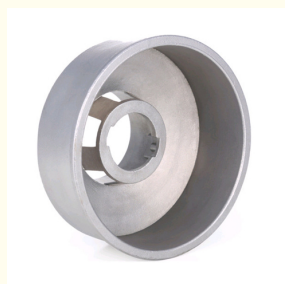

Product Specification

- Item Name: Transmission Valve Body
- Material: Stainless Steel
- Process: Silica Sol Investment Casting
- Surface: Sandblasting
- Standard: JIS, ASTM, ATSI, ANSI
- OEM: Available
- Highlight: valve parts casting, sand casting process

Product Description

Stainless Steel Silica Sol Investment Casting Transmission Valve Body

Product Details

Product Name	Transmission Valve Body
Material	Stainless Steel
Process	Transmission Valve Body
Weight	0.5-5.0KG
Surface Treatment	Oxidation, Plating zinc, Painting, Hot galvanized, Electroplating, Sand blasting
OEM	Available

Production Process

Why Choose Us

1. Our strong R & D and QC department can control the products to meet your strict requirement.
2. Different kinds of finish available, like anodized, power coating, painting, polishing, plating, etc.
3. Different dimensions according to the client's request.
4. Can provide various sizes and packing according to specific requirements.
5. We offer the engineer consultation to your design for production improvement and cost saving.
6. Customized and tailored orders are welcome.
7. High quality and delivery on time.
8. Long-term cooperation with international famous enterprises.

FAQ

How could I get a free quotation?

- Please send us your 2D/3D drawings for a quick quotation.
- The file format is PDF / STP / STEP / IGS / DWG and etc.
- IF there are no drawings, we can make the drawings according to your samples!
