

Sand Casting QT200 Ductile Cast Iron Dicing Saw Base Seat For Saw Machinery

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC857
- Certification: ISO9001,CE,SGS
- Model Number: 857
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 90,000 pcs monthly

Product Specification

- Item Name: Dicing Saw Base Seat
- Application: Saw Machinery
- Material: Ductile Iron
- Process: Sand Casting
- Weight: 0.2- 200 Kg
- Size: As Per Drawing
- Highlight: cast iron sand casting, ductile iron sand casting, resin sand casting

Product Description

Factory Price QT200 Ductile Iron Casting Dicing Saw Base Seat

Product Details

Material	Cast Iron and Cast Steel , ductile iron,Aluminum
Producing Process	Sand casting, investment casting, Lost wax casting,die casting, etc
Surface Treatment	Painting, polishing, powder coating, zinc plating, chrome plating,heat treatment
Design	As per the customer's design, idea & samples; As per samples, we can provide OEM and ODM request
Packing	Plywood box, iron box, stretch-wrap and pallet
Inspection	Self-inspection:GB/T 2828.1-2003/ISO 2859-1:1999 Third party inspection available upon customer's requirements
Mainly Products	Wear-resistant parts, Heat resistant parts, Structural parts, Cylinder parts, Agricultural machinery parts, Lathe body, Furnace parts, Machine parts, Pipe fittings, Pump parts, Valve parts,

About Us

Sunrise Foundry is a leading manufacturer and exporter of high precision casting, forging, stamping, machining, molds and assembly products, etc. Our products are widely used on valves, water pumps, impellers, flange, speed reducers, ejectors and automobiles, etc. Our processing equipments include imported CNC machining center, common lathe, milling machine, boring machine and grinding machine, etc. The weight of products ranges from 3g~3t.

We can provide total customer solutions by integrating manufacturing with foreign trade sectors. We can help to reduce customer cost by providing direct factory price without middleman. We can meet customer convenience and communication with our abundant experiences, powerful production capability, consistent quality, diversified products and the control of the industry trend. We'd like to share our ideas with you and welcome your comments and questions.
