

Industrial Steel Casting Components Precise Tolerances For Finishing Tiles

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC957
- Certification: ISO9001,CE,SGS
- Model Number: 957
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Material: Carbon;Stainless Steel
- Application: Industrial
- Process: Investment Casting
- Surface Finish: Mirror Polish; Sandblasting
- Weight: 0.39 Kg
- Service: Customized OEM
- Highlight: **steel investment casting, investment and precision casting, lost wax casting**

Product Description

Q345 Carbon Steel Precision Investment Casting Parts For Finishing Tiles

Product Details

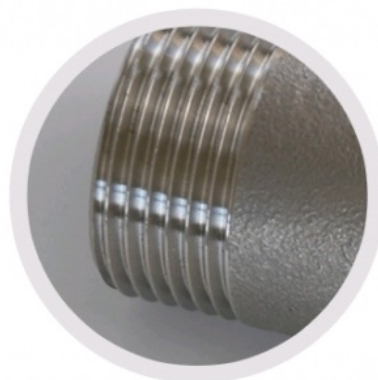

Material	Carbon steel,steel alloy,stainless Steel
Weight/pc	0.39 kg
Dimensions	Diameters changing from dia. 30mm to dia.1000mm
Reports	Chemical certificates based on customers requirements
Process	Investment casting→cleaning→sand-blasting
Special features	Long term life Good Anti-corrosion properties Precise tolerances
Inspection	Heat-treatment report Dimensions inspection report: First article inspention Process inspection Final inspention
Packaging	Boxes+cartons+pallet or per your requests
Application	Various mechanical casting parts

Use high quality raw materials

TWO

High machining accuracy

Factory Tour

Our Services

1. Rich experience in ODM and OEM.
2. Excellent One-stop service.
3. High Quality Precision Customized forging & Casting services.
4. The lowest price.
5. Strict quality control.
6. We can manufacture it according to customers requirements.
