

Drilling Machinery Part Casting Grey Iron Drilling Machinery Pillar

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC453
- Certification: ISO9001,CE,SGS
- Model Number: 453
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 70,000 pcs monthly

Product Specification

- Item Name: Pillar
- Application: Drilling Machinery
- Material: HT200
- Process: Sand Casting
- QC Control: 100% Inspection
- Standard: GB/T9439-2010

Product Description

Drilling Machinery Part Casting Grey Iron Drilling Machinery Pillar

Product Detail

Main blank Process for Casting	Sand Casting , Resin Sand Casting, Green Sand Casting, Shell Molding, Automatic Molding, Lost Wax Casting, Lost Foam Molding Casting etc.
Blanks Tolerance -Casting Tolerance	CT9-10 for Machine Molding Process, CT8-9 for Shell Molding and Lost Foam Molding Casting Process CT10-11 for Manual Molding Sand casting Process
Applicable Material	See Table Below (Ductile Iron Casting, Grey Iron Casting) OR According to customer requirement
Casting Blank Size /Dimensions	2 mm-2000mm / 0.08inch-79inch for investment casting parts iron lost wax, according to customer requirement.
Casting Blank Weight	Range from 0.01kg-1000kg for investment casting parts iron lost wax
Applicable Machining Process	CNC Machining/ Lathing/ Milling/ Turning/ Boring/ Drilling/ Tapping/ Broaching/Reaming /Grinding/Honing and etc .
Machining Tolerance	From 0.005mm-0.01mm-0.1mm
Machined Surface Quality	Ra 0.8-Ra3.2, according to customer requirement

About Us

Sunrise Foundry specializes in Metal Parts Solution for Vehicle, Agriculture machine, Construction Machine, transportation equipment, Valve and Pump system.

With keeping manufacturing process design, quality planning, key manufacturing processes and final quality control in house we are mastering key competence to supply quality mechanical parts and assembly to our customers for both Chinese and Export Market .

To satisfy different mechanical and functional requirements from our customers we are making a big range of metal products for our clients on base of different blanks solutions and technologies. These blanks solutions and technologies include processes of Iron Casting, Steel Casting, Stainless Steel Casting, Aluminum Casting and Forging.

During the early involvement of the customer's design process we are giving professional input to our customers in terms of process feasibility, cost reduction and function approach. You are welcome to contact us for technical enquiry and business cooperation.

Factory Tour

Our Service

1. Help customers optimize product design
2. Provide high quality products for customers
3. Provide more perfect product process design for customer, make the product more beautiful and enhance the competition.
4. We will provide complete after-sales service for our products, and we also re-drawing for free production if the product can't meet the customer's request.

FAQ

Q: do you accept OEM with customer logo?

A: yes, we have about 25 years OEM experience, now we focus on our own brand.

Q: how about your payment terms ?

A: TT, L/C, western union.

Q: how about your packing ?

A: plywood case, if you need more, we can pack all goods with pallet.
