

## Casting Quality Commercial Truck Parts Grey Iron Foundry Truck Parts Casting

### Our Product Introduction

#### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC876
- Certification: ISO9001,CE,SGS
- Model Number: 876
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 80,000 pcs monthly

#### Product Specification

- Material: Grey Iron
- Application: Truck Part
- Process: Sand Casting
- Finish: Sandblasting
- Service: Customized OEM
- Standard: GB/T9439-2010

## Product Description

### Casting Quality Commercial Truck Parts Grey Iron Foundry Truck Parts Casting

#### Product Details

Technology Process	green sand casting, resin bonded casting, compression casting, investment casting (lost wax casting), die casting, pressing & forging etc. Machining: complete machining such as Machining center, CNC, Lathe, Milling machine, drilling etc.
Material	Grey Iron, Ductile Iron
Surface Treatment	shot blasting, deburr, phosphating, spray lacquer etc
Size	As per the customer's drawings and requirements As per the customer's samples
Certification	ISO9001:2000
Application	valves parts, Auto parts, machinery parts, locomotive part, marine part, truck part, Garden fence accessories
Standard	DIN, ASTM, BS, JIS etc

#### About Us

More than 15 years experience in worldwide business makes us a competitive and efficient foundry in the industry. Our products involve in steel castings, precision castings, iron castings and machining which are mainly available for train, automobile, machine, metal, mining, electronic etc.....They are exported to many countries such as USA, Germany, Japan, Spain, Italy, UK, France, Holland, Australia and etc.

To satisfy different mechanical and functional requirements from our customers, we make a huge range of metal products for our clients base on different solutions and technologies. These solutions and technologies include processes of Steel Casting, Iron Casting, Stainless Steel Casting and Forging.

#### Production Process

## ▮ The Process of Casting ▮

① Manufacturing mold

② Pouring

③ Machining

④ Surface Treatment

⑤ Inspection

⑥ Packing

⑦ Shipment
