

## Stainless Steel Precision Investment Casting for Motorcycle Accessories

### Our Product Introduction

#### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC9R56
- Certification: ISO9001,CE,SGS
- Model Number: 9R56
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 80,000 pcs monthly

#### Product Specification

- Material: Stainless Steel
- Application: Motorcycle Accessories
- Process: Investment Casting
- Service: Customized OEM
- Inspection: 100%
- OEM: Available

## Product Description

### Stainless Steel Precision Investment Casting for Motorcycle Accessories

#### Product Details

Name	Investment casting and precision machining ONLY
Product process	client drawings/samples, mould design and produce, raw casting, surface treatment ,machining, packing and delivery
Surface treatment	plating, spray-paint, Surface blasting, Glass bead blasting, Electrolytic polishing, mirror polishing, brush polishing, Magnetic needle polishing, Vibration Grinding, Heat treatment
Material	carbon steel, stainless steel, alloy steel
Application	Pipe fittings, petroleum, smelting, foodstuff, power, papermaking, chemical, medical equipment, aviation, boiler heat, exchanger, gas metallurgy, shipbuilding, construction, etc.
Size	all sizes available or per customer's drawings
Standard	BS ,DIN, AISI, ASTM, JIS, etc
Certification	ISO9001:2008
Service	OEM / ODM, Production according to the samples
MOQ	small order is acceptable
weight	0.005-60KG

## OUR FACTORY

### WAX MOULD WORKSHOP

### CASTING WORKSHOP

### CNC FACILITY

### INSPECTION TOOL

### Our Service

1. Timely delivery time: We can delivery fast. It is usually 30-45 days after received the deposit.
2. Profession factory: We can produce kinds of products according to your sample.
3. We have CE certification.

4. Rapid response to your need within 24 hours.
5. That assure the quality and long life time.
6. We offer the non-standard valves, according to customer requirements.

#### Quality Control

Quality Control is one of the most important process in production. We insist that 100% inspection before shipment and ensure parts without any flaws when sending out.

We have complete quality inspection facilities including mechanical testing, chemical analysis, tensile strength, hardness, spectrometer, ultrasonic testing, etc

CMM

Tensile Test Machine

#### FAQ

1. Can we get the samples?  
Yes, we can supply you the samples for checking our quality within 10-30 days.
2. Can we place a trial order first time?  
Yes, we are glad to supply you small trial order, and hope your quantity will be big in future.
3. Can you help us to do the customs clearance of import?  
Yes, we can help you to do the customs clearance.
