

## Water Glass Casting For Truck Wheel Spare Parts Forklift Spare Components

Our Product Introduction

for more products please visit us on [greycastironcasting.com](http://greycastironcasting.com)

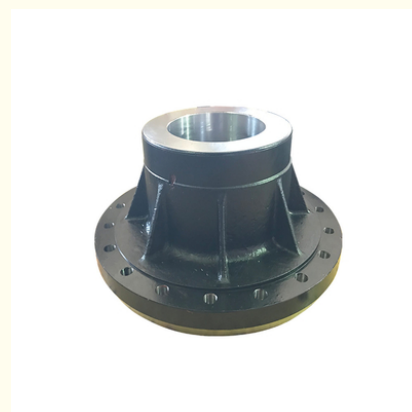

### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC8RY4
- Certification: ISO9001,CE,SGS
- Model Number: 8RY4
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 100 PCS

### Product Specification

- Item Name: Truck Wheel Spare Parts Forklift Spare Components
- Application: Truck
- Process: Water Glass Casting
- Surface: Sandblasting
- Inspection: 100%
- OEM: Available

## Product Description

### Water Glass Casting For Truck Wheel Spare Parts Forklift Spare Components

#### Product Details

<b>Product Name</b>	Precision Investment Lost Wax Casting Process
<b>Application</b>	Train and railway casting parts, automobile and truck casting parts, construction machinery and forklift casting parts, agricultural machinery casting parts ect.
<b>Main process for steel investment casting</b>	Investment water glass lost wax casting
<b>Standard</b>	GB.ASTM. AISI. DIN. BS. JIS. NF. AS, AAR etc
<b>Applicable materials</b>	Carbon steel, Low alloy steel, Stainless Steel, Iron or according to customer requirement
<b>Casting Weight Ratio</b>	0.1-5kg: 40% 5-20kg: 30% 20-40kg: 20% 40-90kg: 10%
<b>Product Usage Ratio</b>	Components for train & railway: 25% Components for automobile & truck: 30% Components for construction machinery & forklift: 25% Components for agricultural machinery: 10% Other machinery components: 10%
<b>Machining process</b>	turning,milling,drilling,boring,threading,grinding machine,CNC/NC machining and test facilities
<b>Heat treatment</b>	Quench and temper by 2 set mesh belt furnaces
<b>Applicable finish surface treatment</b>	Shot/sand blast, polishing, Surface passivation, Primer Painting , Powder coating, ED- Coating, Chromate Plating, zinc-plate, Dacromat coating, Finish Painting,

#### Our Advantages

1. OEM quality standard guarantee
2. Competitive price
3. Positive feedback from abroad and domestic customer
4. various kinds of items meet your demand
5. Packing according to specification required
6. Flexible and convenient logistic service
7. Professional team

#### FAQ

How could I get a free quotation?

- Please send us your 2D/3D drawings for a quick quotation.
- The file format is PDF / STP / STEP / IGS / DWG and etc.
- IF there are no drawings, we can make the drawings according to your samples!

How soon can I get a sample?

- In 3 weeks according to the sample structure .

What is your MOQ?

- MOQ depends on the product structure, we welcome trial order before mass-production.
- Rapid PROTOTYPING service is available for your sample of casting!
