

OEM Precision Investment Casting Parts Bracket Railway Spare Parts

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC7484
- Certification: ISO9001,CE,SGS
- Model Number: 7484
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30-35 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Material: Steel
- Application: Railway Spare Parts
- Process: Precision Casting, Investment Casting
- Surface: Machining Or Spay Painting
- Inspection: 100%
- Size: As Per Drawing

Product Description

OEM Precision Investment Casting Parts Bracket Railway Spare Parts

Product Details

Product Material	Carbon Steel, Alloy Steel, Stainless Steel, Aluminum, Copper
Process	Lost wax casting + CNC machining
Surface Treatment	Polish, powder coating, lacquer coating, e-coating, sand blast, shot blast
Heat Treatment	Annealing, Normalizing, Hardening, Tempering
Size	1) According to customers' drawings 2) According to customers' samples
Drawing Format	step, dwg, igs, pdf
Certificate	IATF 16949, ISO 9001:2015
Payment Term	T/T, L/C, Trade Assurance

About Us

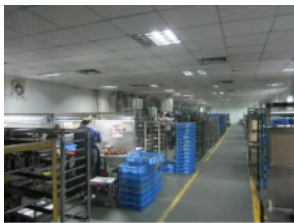

We have a strong and highly efficient R&D team which can design and make OEM/ODM products according to your ideas and samples.

Moreover, in order to ensure the quality of the orders, our independent QC members to carry out strict inspection.

Given OEM's diverse capabilities and expertise with custom components, partnering with us provides the value-added benefits of maintaining a single integrated supply chain.

In addition to comprehensive service, we readily offer engineering and technical assistance aimed at stable quality.

Production Process

Wax Injection

Shell Coating

Shell Drying

Facility

1.Casting facility: wax injector,moulding line,electric induction furnace,heat treatment furnace, shot-blasting machine, sand-blasting machine.

2.Machining facility: CNC, NC lathe,ordinary machine tools,polishing machine.

FAQ

1. What is your products advantage ?

- A. All kinds of size as customer's requirements;
- B. Small quantity trial order is welcome
- C. Customized design is available and free, Such as Color, Logo, Panel, Load and Dimension etc.
- D. Quality control and quick delivery
- E. Good after sales service

2. What is your payment ?

T/T, L/C, Western union or as customer's requirements.

3. How long is your delivery time?

Different products have different delivery time. The products will be delivered as soon as possible on the basis of the quality assurance .Usually the delivery time is within 20-25 days after we received your deposit.

4. Can I get some samples free?

Free sample can be provided if you require to check the quality.
