

## Precision Casting SS316 Stainless Steel Food Machine Mixer Shaft

### Our Product Introduction

#### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC0942
- Certification: ISO9001,CE,SGS
- Model Number: 0942
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: L/C, T/T
- Supply Ability: 50,000 pcs per month

#### Product Specification

- Item Name: Mixer Shaft
- Material: SS316
- Application: Food Machine
- Process: Precision Casting
- Finish: Polishing, Shoot Blasting, Glass Bead Sand Blasting, etc.
- Size: As Per Drawing

#### Packing

**Our Advantages**

1. We have our own factory, so supply the best quality mechanical products with the most competitive prices.
2. All our factories are ISO 9001 certified. Some of them were awarded by ISO / TS16949, PED, etc. We also could provide RT, UT, MPI, WPS and PQR, etc. as per request.
3. We will not only manufacture and source products for our customers, but also provide technical support, production all-time supervision and quality track service. Special request products available upon request.

**FAQ****Production Capacity**

Our factory could export 30000ton / year.

**OEM service**

We have professional technical research team. They have 20 years experience. If you have special requirements about the product, we could help you solve the problem.

**Good Sales Service.**

We provide after sales service for you.

**Quick Delivery**

Products in stock, it will take 15 days for delivery. Standard delivery time is about 30-45 days.
