

Ductile Cast Iron Casting Forklift Spare Part Rocker Lever Arm

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC7352
- Certification: ISO9001,CE,SGS
- Model Number: 7352
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Standard
- Delivery Time: 35 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Item Name: Rocker Lever Arm
- Application: Forklift Industry
- Material: Ductile Iron
- Surface Treatment: Shot Blasting+Assembling
- Size: Customized
- Casting Tolerance: CT4-CT9
- Standard: GB ASTM AISI DIN BS Etc

Product Description

Ductile Cast Iron Casting Forklift Spare Part Rocker Lever Arm

Product Details

Product Name	Rocker Arm for Forklift
Material	QT450-10
Color	Customized
Standard	65-45-12
Grade	QT400-18,QT450-10,QT600-3,QT700-2
Weight	4.5KG
Surface Treatment	Oxidation, Plating zinc, Painting, Hot galvanized, Electroplating, Sand blasting
Used	Forklift

Production Process

About Us

Engaged in the casting industry for more than 25 years, our foundry has built up the complete production lines and quality control systems.

We supply OEM service and exports to Germany, Japan, USA, Canada, Korea, New Zealand, and so on. And we have been enjoying a good reputation from our customers.

Products range: Metal parts, Mechanical parts, Marine Hardware, Electric power fitting, Construction parts, Pipe Fitting, Auto parts, Valve parts, Food Machinery, Agricultural Machinery, etc.

Material: stainless steel, carbon steel, alloy steel, aluminum alloy, ductile iron, cast iron, etc.

Quality:

We have a full set of quality control system to guarantee best product quality. Depending on the products, we can make different Item Testing Plan, Manufacturing procedure etc.

Inspection:

We have professional inspectors, who can insure that all our products are qualified.
