

Iron Casting Service Metal Casting Foundry Grey Iron Sand Casting Stove Parts

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC7635
- Certification: ISO9001,CE,SGS
- Model Number: 7635
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30-35 days
- Payment Terms: T/T, L/C
- Supply Ability: 50,000 pcs per month

Product Specification

- Part Name: Stove Parts
- Material: Grey Iron
- Production Process: Sand Casting
- Color: Natural
- Finish: Sandblasting
- Quality Control: Professional Inspection

Product Description

Iron Casting Service Metal Casting Foundry Grey Iron Sand Casting Stove Parts

Application	Valve / Pump / Agriculture Machinery / Elevator Part / Construction Tools / Printing Press Equipment / Auto Parts / Firefighting Equipment /etc
Process	Casting, Machining, Surface treatment
Casting technic	Clay dry sand casting / resin sand casting / precision casting / investment casting / lost wax casting / shell-mould / silica sol casting / water glass casting
Casting blank size	2mm-1000mm / 0.08ch-36inch / according to customer's requirement
Casting blank weight	0.01kg-1000kg
Casting tolerance	CT5-CT8
Machining tolerance	0.005mm
Machining	Lathing / Milling / Turning / Boring / Drillig / Tapping / Broacing / Grinding / etc
Surface qulity	Ra0.8-Ra3.2 / according to customer requirement
Surface treatment	Shot blasting / Polishing / Painting / Powder coating / Anodizing / Zinc plating / Nickel plating / bluing / blacking / etc
Quality control	100% inspection berore shipment
Design / File / formats	Auto CAD (IGS,DXF,DXF,DWG,STP,STL,X-T) / Solid Works / Unigraphics / PDF /etc
Certification	ISO9001:2008
Package	Bubble plastic bag / polybag / pallet / wooden case / paper box / etc
Sample	Available
OEM service	Available

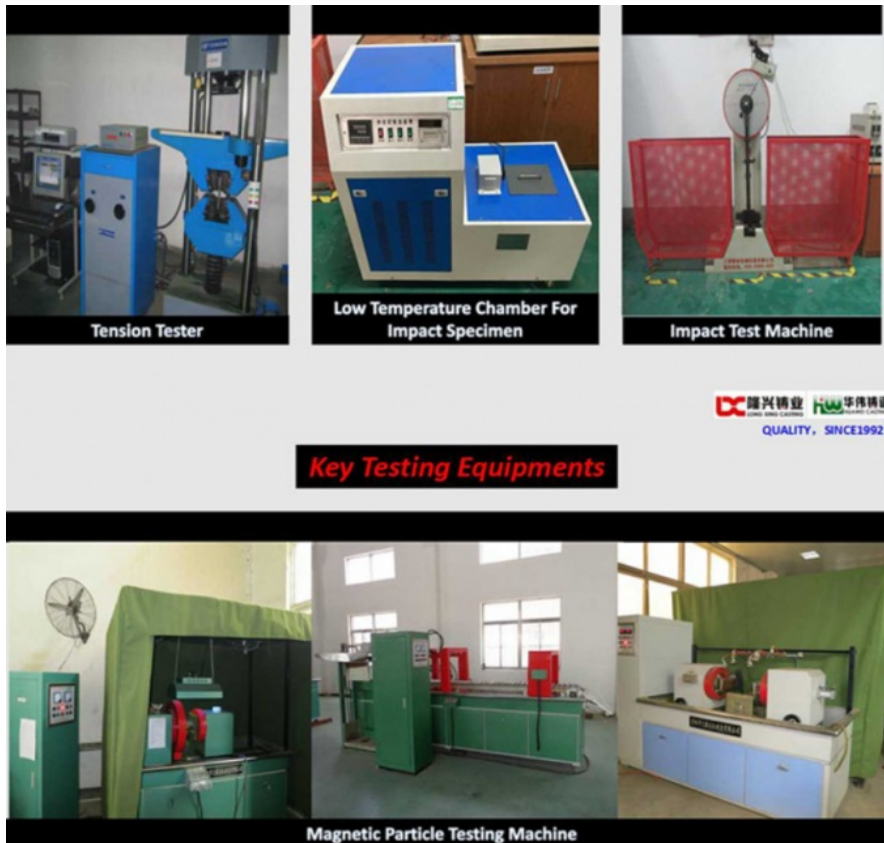

About Us

We have a strong and highly efficient R&D team which can design and make OEM/ODM products according to your ideas and samples. Moreover, in order to ensure the quality of the orders, our independent QC members to carry out strict inspection.

Given OEM's diverse capabilities and expertise with custom components, partnering with us provides the value-added benefits of maintaining a single integrated supply chain. In addition to comprehensive service, we readily offer engineering and technical assistance aimed at stable quality.

Quality Control

FAQ

1. Are you a trading company or a manufacturer?

We are a manufacturer, so we have cost advantage and you can enjoy faster communication on product detail.

2. How long does it take to get a quotation?

Generally, it takes 2 work day to make the offer. However, for urgent inquiry, we can provide the quotation within 12 hours.

3. How do you control your quality?

We use top quality material to manufacture our products in order to guarantee prime quality. All the products will be fully inspected before delivery.

4. Can I get a sample to check your quality?

Yes, of course. It is our pleasure to send a sample for you to check our product quality.
