

Construction Hardware Stainless Steel 304 316 Investment Casting Silicon Sol Casting

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC9834
- Certification: ISO9001,CE,SGS
- Model Number: 9834
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 35 days
- Payment Terms: T/T, L/C,
- Supply Ability: 60,000 pcs monthly

Product Specification

- Item Name: Construction Hardware
- Application: Construction
- Material: Stainless Steel
- Process: Silicon Sol Casting
- Drawing Types Accepted: CAD ,STP , PDF ,3D, Files
- Standard: GB ASTM AISI DIN BS

Product Description

Construction Hardware Stainless Steel 304 316 Investment Casting Silicon Sol Casting

| | |
|--|--|
| Product Name: | steel Investment casting /steel precision casing / lost wax casting |
| Materials: | stainless steels, alloy steel, aluminum |
| Items: | FOB |
| Lead time: | 30 days |
| Place of Origin: | China |
| Software for specification drawings: | PDF, Auto CAD, Solidworks,JPG,Pro-E |
| Main production equipments: | wax injection, CNC-machine, machine-center,Heat treatment Furnace. |
| 1) We can do different kinds of surface treatment after casting , such as machining, polishing, and plating. | |
| 2) We make them by steel precision casting, steel investment casting , lost wax casting (lost wax casting,lost foam casting) and steel sand casting process in Taiwan | |
| 3) Machine parts (machining parts or machinery parts), metalwork (metal products) and stamping parts . | |
| are suitable to us. | |
| 4) They are using for oilfield drill machinery, pipe connection and others | |

Technical Support

Sunrise Foundry is professional at independent development and design. Our engineers are skilled at AUTO CAD, PRO ENGINEER, SOLID WORKS and other 2D & 3D softwares. We are able to design, develop,produce and deliver your PO according to your drawings, samples or just an idea. Dual control of standard products and OEM products.

3,Quality Control

- 1) Checking the raw material after they reach our factory----- Incoming quality control (IQC)
- 2) Checking the details before the production line operated
- 3) Have full inspection and routing inspection during mass production---In process quality control(IPQC)
- 4) Checking the goods after they are finished---- Final quality control(FQC)
- 5) Checking the goods after they are finished-----Outgoing quality control(OQC)

Our Service

Samples available any time, NO MOQ.

Reply your inquiry within 1hr in working time, with 12 hours in non-working time.

Customized Service, OEM and ODM acceptable.

Warranty: One year, New replacement or spare parts will be sent within the warranty period.

shipping cost will be covered by us.

Professional engineers team and Rich manufacturing experience.

High quality & Competitive price.

FAQ

Q: Can you produce the products as customers' design?

A: Sure, OEM is available. Welcome to send us your sample or design.

Q: Can we do quality control by our team members on location before shipping?

A: Yes, We will also arrange the quality control by ourselves before shipping.

Q: What is your payment terms?

A: Usually T/T. 30% deposit before manufacture, the balance before delivery.

Other terms can be negotiated.
