

Prestressed Concrete Cast iron 0.5" Unbonded Mono Flat Anchor

Our Product Introduction

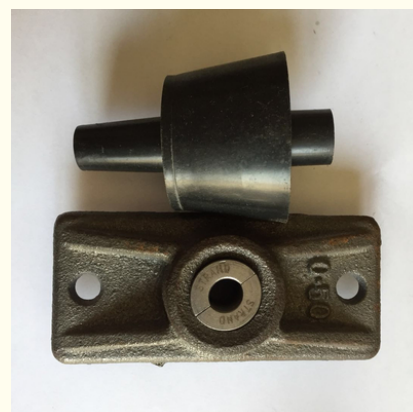

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC9834
- Certification: ISO9001,CE,SGS
- Model Number: 9834
- Minimum Order Quantity: 10000 pcs
- Price: Can talk
- Packaging Details: Crate
- Delivery Time: 30-35 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Part Name: Unbonded Mono Flat Anchor
- Material: Cast Iron
- Diameter: 12.7mm, 15.2mm
- Application: Construction
- Wedge Material: 20CrMnTi
- OEM&ODM: Acceptable
- Color: Gray Or Black

Product Description

Prestressed Concrete Cast iron 0.5" Unbonded Mono Flat Anchor

Description

The material for mono anchorage can be spheroidal graphite cast iron, which puts traditional anchor ring and plates into one integration anchor. It simplifies the complicated manufacturing procedure and structure, which has the advantage of convenient construction, perfect seal ability and easy to guarantee the perpendicularity between the anchorage and steel strands.

1. Application

Modern construction, especially used in pre-tension or post-tension for concrete constructions and building materials. To lock unbond strand

2. Related Components

Anchor head, bearing plate, anchor wedge, spiral reinforcement, plastic or metal corrugated ducts, PC strands(PC wire bundle).

Product Details

Product Name	unbonded monostrand anchorage
Material	Cast Iron
Color	Galvanized / Black
certificate	ISO,BV,ISO9001,
Wedge Type	2 pcs or 3 pcs
Brand	Sunrise
Place of Origin	China Mainlan
Application	For PC strand

Company Information

Our products are extensively applied in many projects such as highways, railways, bridges, building constructions, hydroelectric projects, TV towers, large containers, rock anchors and ground anchors.

We have a great team to supply professional design, excellent service, high quality products, fast delivery and on time after-sales, so that our products were sold to firms all over the world. And have more than 8 years experience for international trade. Welcome to cooperation with us to reach your high quality and best service request.

Our Advantages

Rich experience in prestressed products.

Strict quality control system.

Customized product can be made.

Offer professional consultation and service.

FAQ

1.Are you a manufacturer?

Yes.We have more than 20 years manufacturing experience.

2.Can you ensure quality?

Yes.We have quality control in each step of production and final products.

3.Can you keep timely delivery?

Yes.We arrange production and delivery as soon as possible.
