

Lost Wax Precision Stainless Steel Bicycle Trailer Axle Coupling Casting

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC2521
- Certification: ISO9001,CE,SGS
- Model Number: 2521
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 35 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Item Name: Trailer Axle Coupling
- Material: Stainless Steel
- Process: Precision Investment Casting
- Color: Natural
- Casting Tolerance: CT4-CT9
- Surface Treatment: Zinc Plating, Painting, Powder Coating, Electro Polishing
- Quality Control: 100% Inspection

Product Description

Lost Wax Precision Stainless Steel Bicycle Trailer Axle Coupling Casting

Material	Stainless steel, Carbon steel, Alloy steel
Application	Industry Machinery, Automotive, Electricity
Process	Mould, Casting, CNC Machining
Machining Process	CNC Lathe, CNC milling center
Heat treatment	Annealing, Quench and temper, Solid solution
Surface treatment	Zinc plating, Painting, Powder Coating, Electro polishing
Quality Control	PFMEA, PPAP, APQP, Control Plan, MSA
Machining tolerance	+/-0.005mm, ISO2768-mk
Casting tolerance	CT4-CT9
Certificate	ISO 9001
Testing facilities	Spectrometer, CMM, Callipers, micrometer, projector Load test machine, Hardness tester, roughmeter

Factory Introduction

Sunrise Foundry is a professional Metal Foundry, located in Ningbo. We have been producing Gray Iron, Ductile Iron Castings and any other precision castings for more than 25 years.

We are dedicated to meet different requirements of various customers across the world, products are mainly involved Agricultural and Construction Machinery, Hydraulic, Mining industry, Municipal Products, some steel and stainless steel castings for Pumps and Valves, Pipe Fittings, etc.

Please feel free to contact us if you have any requests.

Packing Details

carton and pallet, or according to customer requirements.

Delivery Details

delivery samples within 25 work days, 60 work days for mass production

FAQ

Q: Can you make the production mold with short run production?

A: Yes, we can. We can make the production for any quantity you want.

Q: How do we control the mold processing?

A: We will send the processing report and mold processing picture every two weeks to the customer.

Q: Are the samples free of charge?

A: Yes, the first trial samples(5-10pcs) is free, and we will send you the sample by DHL, FEDEX or TNT as soon as we finish the first samples.

Q: Who own the mold?

A: Customer.
