

Ductile Iron Coated Resin Sand Casting Valve Cover Parts

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC6346
- Certification: ISO9001,CE,SGS
- Model Number: 6346
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Standard
- Delivery Time: 30-35 days
- Payment Terms: T/T, L/C
- Supply Ability: 50,000 pcs per month

Product Specification

- Part Name: Valve Cover
- Material: Ductile Iron
- Process: Resin Sand Casting
- Application: Gas Pipeline
- Finish: Sandblasting
- Service: OEM ODM

Product Description

Ductile Iron Coated Resin Sand Casting Valve Cover Parts

Product Details

material	grey iron, ductile iron, steel,
process	Resin sand casting, machining etc
Surface treatment	polishing, machining, antirusting oil
tolerance	customers drawing request
Application	Mechanical parts, Vehicle, Agro Machinery, Pipe, Valves, etc
Drawing Format	.jpg/.pdf/.dxf/.dwg/.igs/x_t.etc
Packing	Foam, Carton, Wooden boxes, or as per customer's requirements
Leading Time	7-20 work days
Shipment	By FedEx, DHL, China post
Payment Terms	T/T, Western union,

Production Process

砂 SAND CASTING

1) MOLD

2) MODELLING

3) CORE

4) SPRAY

5) FURNACE

6) POURING

7) COOLING

8) GRINDING

9) SHOT BLASTING

10) PRODUCTS

11) MACHINING

12) CMM

About Us

Sunrise Foundry is a professional Metal Foundry, located in Ningbo. We have been producing Gray Iron, Ductile Iron Castings and any other precision castings for more than 25 years.

We are dedicated to meet different requirements of various customers across the world, products are mainly involved Agricultural and Construction Machinery, Hydraulic, Mining industry, Municipal Products, some steel and stainless steel castings for Pumps and Valves, Pipe Fittings, etc.

Please feel free to contact us if you have any requests.

Quality Control

- 1) Checking the raw material after they reach our factory----- Incoming quality control (IQC)
- 2) Checking the details before the production line operated
- 3) Have full inspection and routing inspection during mass production---In process quality control(IPQC)
- 4) Checking the goods after they are finished---- Final quality control(FQC)
- 5) Checking the goods after they are finished-----Outgoing quality control(OQC)

FAQ

Q: Do you test your products before shipping, what if there is any quality problem?

A: We 100% test our products before shipping. If any quality problem does happen, we will replace all the faulty ones at our shipping cost, or refund to you.

Q: What about lead time?

A: For first order, usually lead time around 45-60 days. For repeat order, usually around 30-45 days.

Q: Do you make custom parts?

A: Absolutely definitely YES! Outperforming the factory original is what we do. We could make parts according to your sample or drawing, and we could offer suggestions on how to design the products to make it stronger!
