

Precision Investment Casting Agricultural Machinery Parts Shifting Yoke

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC6341
- Certification: ISO9001,CE,SGS
- Model Number: 6341
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 35 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Part Name: Shifting Yoke
- Application: Agricultural Machinery
- Material: Steel
- Process: Precision Investment Casting
- Surface: Sandblasting
- Service: OEM ODM Customised
- Quality Control: 100% Inspection

Product Description

Precision Investment Casting Agricultural Machinery Parts Shifting Yoke

Factory Introduction

Sunrise Foundry is a professional Metal Foundry, located in Ningbo. We have been producing Gray Iron, Ductile Iron Castings and any other precision castings for more than 25 years.

We are dedicated to meet different requirements of various customers across the world, products are mainly involved Agricultural and Construction Machinery, Hydraulic, Mining industry, Municipal Products, some steel and stainless steel castings for Pumps and Valves, Pipe Fittings, etc.

Please feel free to contact us if you have any requests.

Products Details

Specification	Customized,customer Required,customer's Drawings,Samples
Material	Steel, Stainless steel
Application	Automobile, Agricultural machinery, Pipage,Furniture, Construction, Home appliances,Electronics,etc.
Process	Precision casting,Lost wax casting, Investment casting
Machining	CNC machining center, CNC lathe
Casting tolerance	IT5 - IT7,CT5-7
Machining tolerance	+/- 0.005mm,ISO2768-f,ISO-mk
Standard	DIN,AISI,SAE,ASTM,UNS,GOST,ISO,BS,EN,JIS
Heat treatment	Solid solution annealed,quench and tempering
Unit Weight	5g-100kg
Dimensions	<=800mm
Certificate	ISO9001, TS16949,ISO1400,RoHS
Finish	Polishing,Shoot blasting,Glass bead sand blasting,etc.
Quality control	FEMA,PPAP,APQP,Control Plan,MSA, Certificates for all requirements Test reports for every delivery
Service	Weekly report,Key node report,Any questions will be answered within 24 hours.

Production Proces

We are capable of meeting material specifications according to ASTM, SAE, AISI, ACI, DIN, EN, ISO, and GB standards. We have more than 100 different ferrous and non-ferrous alloys with which we cast parts using a complex design criteria. Our dimensionally and geometrically complex investment castings are produced to net shape, minimizing the need for secondary machining. Our top of the line equipment and automation process controls allow for consistent and repeatable tolerances as close as ± 0.1 mm. Our castings can also be produced in a wide size range. They be as small as 10 mm long x 10 mm wide x 10 mm high and weigh as little as 0.01 kg, or as much as 1000 mm in length and weigh as much as 100 kg.

Quality Control

All our products would have quality control systems conforming to ISO9001:2015 quality control systems. Continuing statistical process control and process capability improvement would be applied for all products manufacturing process. Our commitment and continuous effort would be to improve product quality.

Tensile Test Machine

Our Service

Our Engineering can help you with your ideas, drawings and products from initial prototype, right through to production and deliver of precision components in various materials, such as: Mild steel, copper, aluminum, stainless steel, steel alloys, brass and plastics.

Our company supplies different kinds of products. High quality and favorable price. We're pleased to get your Inquiry and we will come back to as soon as possible.

FAQ

1. How about the payment terms?
We usually accept T/T or L/C. other terms also could be negotiated.
2. What is your minimum order?

It depends on what you are buying. Normally, our minimum order is one 20' full container and LCL container (less than a container load) can be acceptable.

3. What is your delivery time?

FOB Ningbo or any Chinese port : 20-30days. If there are any parts in stock , our delivery time is only 7-10 days.
