

## Ductile Iron Machinery Parts Swing Link Sand Automatic Molding Line Casting

### Our Product Introduction

#### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC8356
- Certification: ISO9001,CE,SGS
- Model Number: 8356
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 35 days
- Payment Terms: T/T, L/C
- Supply Ability: 90,000 PCS MONTHLY

#### Product Specification

- Item Name: Swing Link
- Material: Ductile Iron
- Process: Sand Automatic Molding Line
- Finish: Painting
- Size: Customized
- Inspection: 100%

## Product Description

### Ductile Iron Machinery Parts Swing Link Sand Automatic Molding Line Casting

#### Product Description

Item	swing link
Surface finish	sand blasting,debur,share edge,painting
Finish treatment	black anodize, zinc plating,paint
Machining tolerance	±0.02mm CT8 CT 9
Service	Customized OEM CNC machine service
Material	grey iron, ductile iron,
Process	precoated sand, clay / green sand,
Certification	ISO9001:2008
Application	agriculture Construction Machinery Parts
Dimensions	Customized Sizes

#### **Our Service**

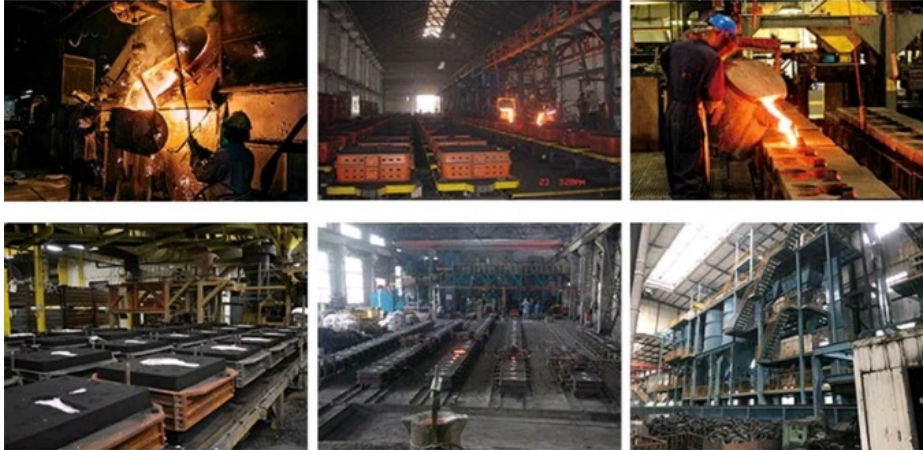

We manufacture ductile iron castings and gray iron castings for agricultural machinery, industrial equipment, hydraulic valves & cylinders, construction equipment and industrial valves.

The company owns 10x automatic moulding lines, including 2x DISA moulding lines imported from Denmark. We can produce cast iron parts from 0.5 kg to 5000 kgs. Their material are GGG400-15, GGG400-18, GGG500-7, GGG600-3, GGG700-2 and GG200, GG250, GG300. There are also painting production line, powder coating production line, electrophoretic paint production line in our fountry. We can supply machined castings with the surface treatment powder coating, electrophoretic paint, electric zinc plated, hot dip galvanized and Dacromet as the customers' requirements.

We work collaboratively with clients to determine the best material for each custom casting.  
Request a Quote to get more information on how our casting service can match your project requirements.

## FAQ

### how can we guarantee quality?

Always a pre-production sample before mass production;  
Always final Inspection before shipment;

### what can you buy from us?

custom steel precision castings,aluminum custom die castings,custom machining parts,custom stamping,custom iron castings

### why should you buy from us not from other suppliers?

1.We have professional engineers team who can provide our customer most suitable and lowest cost production process 2. We will refund the tooling cost after the production reach a certain number. 3. Delivery fast! 4.Negotiable payment term.
