

## Gray Iron GG20 Sand Casting Transformer Wheel Cast Iron Cultipacker Wheel

Our Product Introduction

### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC0924
- Certification: ISO9001,CE,SGS
- Model Number: 0924
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Crate
- Delivery Time: 30-35 days
- Payment Terms: T/T, L/C
- Supply Ability: 50,000 pcs per month

### Product Specification

- Item Name: Wheel
- Material: Gray Iron
- Application: Transformer
- Process: Sand Casting
- Tolerance: CT4-6
- Size: Customized

Product Description

Gray Iron GG20 Sand Casting Transformer Wheel Cast Iron Cultipacker Wheel

Product Details

Type	Wheel
Application	Transformer
Processing	Sand Casting
Material	Gray iron GG20
Weight	10 kg
Tolernace	Controlled by ISO 8062 CT4-6
Design Support	Pro-E, UG,SolidWorks,AutoCad, PDF
Quality Control	Material, Dimension,Performance,inside defects,Balance test
Standard	ASTM,DIN,JIS,ISO,GB standards

#### Production Process

Our main products are GG15 ~ GG30 gray iron castings and GGG40 ~ GGG70 ductile iron castings. We can do the machining; we have the horizontal machining center, 5 vertical machining centers, 6183 type CNC lathe, 6166 type CNC lathe, 6163 type CNC lathes, 6152 type CNC lathes, 6140 type CNC lathes, 6136 type CNC lathes, 6132 type CNC lathes, CNC milling machines, broaching machine and other main machining equipments.

For the convenience of customers, our factory can custom all kinds of mould for clients to provide one-stop services from drawings to deliver castings; we uphold the 'customer focus and exceed customer expectations' business philosophy, in good faith with the pragmatic, wholeheartedly welcome the global merchants to patronize, complicity development, create brilliant.

#### Advantages

Professional engineers for OEM&ODM business;  
 Strict production sequence and high precision;  
 Series Quality Control System from Raw Material, Processing inspection, Final Inspection;  
 The well maintained modern machines, and the honest, dedicated personnel, which keep our products quality in a high level

#### FAQ

Q: How long is your delivery time?

A: Generally it is 5-10 days if the goods are in stock. or it is 30-40 days if the goods are not in stock, it is according to quantity.

Q: Do you provide samples ? is it free or extra ?

A: Yes, we could offer the sample for free charge but do not pay the cost of freight.
