

Metal Foundry Cast Gray Iron ASTM A126 Hydraulic Valve Holder Casting

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC8323
- Certification: ISO9001,CE,SGS
- Model Number: 8323
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 35 days
- Payment Terms: T/T, L/C
- Supply Ability: 50,000 pcs per month

Product Specification

- Item Name: Valve Holder
- Material: Gray Iron
- Application: Valve Parts
- Production Process: Green Sand Molding And Shell Molding Process
- Surface Treatment: Blasting Shooting
- Size: Customized

Product Description

Metal Foundry Cast Gray Iron ASTM A126 Hydraulic Valve Holder Casting

Product Details

Materials	Ductile iron/ Grey cast iron/ Carbon steel/ Alloy steel/ Special alloy steel/ Stainless Steel/ Aluminum
Technical Processes	Green Sand Casting/Resin Sand/Ceramic Shell/Repli Castings/Lost Foam Casting /Investment Casting / Precision Casting/Lost- WaxCasting
Heat Treatment	Quenching, Tempering, Annealing, Normalizing, Nitridation, Carburization.
Surface Treatment	polishing, powder coating, zinc plating, chrome plating,heat treatment,tumbling polishing, electro-polishing.
Machining Equipment	CNC Machines, Turning Machines,Drilling Machines , Milling Machines, Grinding Machines,etc.
Measuring Tool	CMM, Projector, Vernier Caliper, Depth Caliper, Micrometer, Pin Gauge, Thread Gauge, Height Gauge, etc.
Inspection	Third party inspection available upon customer's requirements.
Weight	0.1-60kgs.
Application	Auto Parts, Machinery Parts, etc.
Package	Plywood or wooden case, pallet (As per customer's requirement).

Our Advantages

Provides technical process analysis, develops and manufactures
 Different technology OEM castings integrating all the resources according to customers' requirements
 We starts its business from an OEM supplier since 1990's of machined & Non-machined castings in a variety of industries.
 We are both manufacturer and trading company, and breaks its limit of one factory
 A specialized team including translators,engineers,inspectors,and customer service
 developed over 10000 products till now
 Any OEM enquiry will be set up a project,and will be treated as an emphasis in the group
 30 years of independent development and design ability
