

## Precision Stainless Steel Investment Casting Bulkhead Union Fitting

Our Product Introduction

for more products please visit us on [greycastironcasting.com](http://greycastironcasting.com)

### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC8734
- Certification: ISO9001,CE,SGS
- Model Number: 8734
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30-35 days
- Payment Terms: T/T, L/C
- Supply Ability: 50,000 pcs per month

### Product Specification

- Item Name: Bulkhead Union Fitting
- Material: Stainless Steel 304, 304L, 316, 316L, CF8M, etc.
- Technics: Precision Casting
- Service: OEM/ODM
- Finish: Polishing, Shoot Blasting
- Dimensions: Customized Sizes

## Product Description

### Precision Stainless Steel Investment Casting Bulkhead Union Fitting

#### Description

Item Name	Precision Stainless Steel Investment Casting Bulkhead Union Fitting
Product Application	Construction machine, transportation equipment, valve and pump system, agriculture machine parts, engine bracket, truck bracket, gear box , gear housing , gear cover, shaft, spline shaft , pulley, flange, connection pipe, pipe, hydraulic valve , valve housing ,Fitting , flange, wheel, fly wheel, oil pump housing, starter housing, coolant pump housing, transmission shaft , transmission gear, sprocket, chains...
Casting Size	2-600mm
Casting Weight	0.01-100kg
Casting Tolerance	CT4-CT8
Machining Process	CNC Machining, Lathing, Milling,Turning,Boring,Drilling,Tapping, Broaching,Reaming,Grinding,Honing and etc.
Machining Tolerance	0.001-0.1mm
Machining Surface Tolerance	Ra0.8-Ra3.2
Surface Treatment	Shot blast, polishing, Surface passivation, Primer Painting , Powder coating, ED- Coating, Chromate Plating, zinc-plate, Dacromat coating, Finish Painting, etc.
MOQ	100pcs
Lead Time	30-40days
Certification	ISO9001, ISO14001, TS16949

#### **Factory Introduction**

Sunrise Foundry is specializing in the manufacturing of lost wax investment castings in carbon steel and alloy steel, our company is a large-scale professional investment casting foundry with powerful machining capabilities in China.

More than 15 years experience in worldwide business makes us a competitive and efficient foundry in the industry. Our products involve in steel castings, iron castings and machining which are mainly available for train, automobile, machine, metal, mining, electronic etc.....They are exported to many countries such as USA, Germany, Japan, Spain, Italy, UK, France, Holland, Australia and etc.

To satisfy different mechanical and functional requirements from our customers, we make a huge range of metal products for our clients base on different solutions and technologies. These solutions and technologies include processes of Steel Casting, Iron Casting, Stainless Steel Casting.

### Quality Control

Quality Control is one of the most important process in production. We insist that 100% inspection before shipment and ensure parts without any flaws when sending out.

We have complete quality inspection facilities including mechanical testing, chemical analysis, tensile strength, hardness, spectrometer, ultrasonic testing, etc.

CMM

Tensile Test Machine

#### FAQ

##### how can we guarantee quality?

Always a pre-production sample before mass production;  
Always final Inspection before shipment;

##### what can you buy from us?

Stainless Steel Casting, Steel Castings, Iron Castings,

##### why should you buy from us not from other suppliers?

For the past two decades, We have been producing all sorts of casting products . Through supplying high quality and satisfied products, all of our cooperation partners speak highly of us and seek further cooperation with us. We will continue to do better.
