

Steel ASTM A27 GRADE 65-35 Precision Casting Hydraulic Parts Rod End Casting

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC9835
- Certification: ISO9001,CE,SGS
- Model Number: 9835
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Standard
- Delivery Time: 35 days
- Payment Terms: T/T, L/C,
- Supply Ability: 60,000 pcs monthly

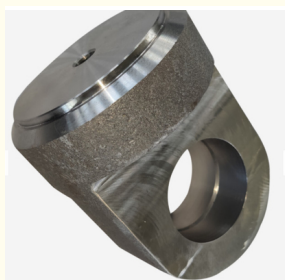

Product Specification

- Part Name: Rod End Casting
- Application: Hydraulic
- Material: ASTM A27 GRADE 65-35
- Process: Precision Investment Casting
- Casting Tolerance: CT6-10
- Standard: ASTM, AISI, DIN, BS, JIS, NF, AS

Product Description

Steel ASTM A27 GRADE 65-35 Precision Casting Hydraulic Parts Rod End Casting

Material:	stainless steel, cast iron, pig iron, carbon steel, alloy steel, non-ferrous, grey iron, ductile cast iron, etc
Type:	lost wax casting, soluble glass casting, ductile iron casting, sand casting, die-casting, cnc machining, etc
weight :	from 0.02kg to 80kg
Surface:	polishing, machining, plating, Heat Treatment, painting, etc.
Finish:	Zinc plated, Chromated plated, Electrophoresis, Powder coating, Anti-corrosion etc
Standard:	OEM manufacturing as per customers requirements or drawings.
Application:	Industrial parts, Machinery parts, construction parts, valve parts, train, craft, door handle, hinge, hydraulic pressure, construction, agricultural machinery, auto parts, etc.

Factory Introduction

Sunrise Foundry is a professional Metal Foundry, located in Ningbo. We have been producing Gray Iron, Ductile Iron Castings and any other precision castings for more than 25 years.

We are dedicated to meet different requirements of various customers across the world, products are mainly involved Agricultural and Construction Machinery, Hydraulic, Mining industry, Municipal Products, some steel and stainless steel castings for Pumps and Valves, Pipe Fittings, etc.

Please feel free to contact us if you have any requests.

Advantage

Experienced products supplier

Professional design team and sales department for your service

7*24 service for you, all the question will be dealt within 24 hours

Benefits

Stable quality —— Coming from good materials and technic

Lower price —— Not cheapest but the lowest at the same quality

Good service —— Satisfactory service before and after sale

Delivery time —— 30-40 days for mass production

FAQ

Q: Can you produce according to the samples??

A: Yes, we can produce by your samples or technical drawings. We can build the molds and fixtures.

Q: What is your MOQ?

A: No MOQ for normal products. But for the new design products which need to make the new mould, the MOQ would be up to 100-1000pcs.

Q: Can I get the samples for free? What is the lead time for the samples?

A: We can offer free samples for the new idea of regular customers. For new customers, we need sample charge, but we can return the charge once you place any orders. So, basically the samples are free.
