

Silica Sol Investment Casting Motorcycle Accessories Transmission Parts Casting

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC9824
- Certification: ISO9001,CE,SGS
- Model Number: 9824
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Crate
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 50,000 pcs per month

Product Specification

- Material: Stainless Steel, Carbon Steel
- Application: Motorcycle
- Process: Lost Wax Precision Casting
- Surface Treatment: Electro Polishing
- Service: OEM/ODM
- Standard: GB ASTM AISI DIN BS

Product Description

Silica Sol Investment Casting Motorcycle Accessories Transmission Parts Casting

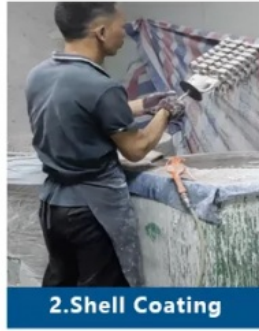

Product Details

Material	Carbon Steel, Stainless Steel, Aluminum Alloy ,Brass Alloy ,Zamak 3, Zamak 5, Zamak 7, Zamak 2, Or according to customer requirements
Casting Blank Size	2 mm-1500mm / 0.08inch-60inch , or according to customer requirements
Surface Finish	Zinc/Chrome Plating, Anodizing,Powder Coating,Electrophoretic painting etc.
Process	CNC centre,CNC lathe,General lathe,General Milling, CNC milling, Drilling machine, internal grinder.Cylindrical grinder machine,centerless grinder machine & other equipments.
Machining Tolerance	From 0.005mm-0.01mm-0.1mm
Machined Surface Roughness	Ra 0.8-Ra3.2 according to customer requirement
Application	Many industries, especially in household appliances,electrical heated tube element,switch accessories,auto spare parts,thermostat accessories,medical equipment hardware fittings.
Lead Time	45 days for mold and samples, after confirmation of samples, mass production time is 35 days
Small Quantity	Is acceptable
Tolerance	CT4-6 for Permanent Molding, Die Casting
Quality Control	Full Inspection

Production Process

1.Wax Injection

2.Shell Coating

3.Shell Drying

4.Dewaxing

5.Shell Roasting

6.Pouring

7.Grinding

8.Repair

9.Shot Blasting

10.CNC Machining

11.Inspection

12.Packing

Product Show

Our Advantages

- 1) Design assistance and full engineering support .
- 2) Professional at OEM & ODM parts .
- 3) Excellent after sales service.
- 4) Advanced machine tools, CAD/CAM programming software.
- 5) Prototype machining capabilities.
- 6) Strict quality control standards with a highly qualified inspection department .
- 7) Continually upgrading and advancing our equipment to remain competitive .
- 8) Small quality is also available.

FAQ

1. How about the payment terms?

We usually accept T/T or L/C. other terms also could be negotiated.

2. What is your minimum order?

It depends on what you are buying. Normally, our minimum order is one 20' full container and LCL container (less than a container load) can be acceptable.

3. What is your delivery time?

FOB Ningbo or any Chinese port : 20-30days. If there are any parts in stock , our delivery time is only 7-10 days.
