

Precision Stainless Steel Part Investment Casting Water Meter Valve Body

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC0983
- Certification: ISO9001,CE,SGS
- Model Number: 0983
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 35 days
- Payment Terms: T/T, L/C
- Supply Ability: 50,000 pcs per month

Product Specification

- Item Name: Water Meter Valve Body
- Material: Stainless Steel
- Process: Precision Casting
- Service: OEM\ODM
- Finish: Polishing,Shoot Blasting
- Weight: 5g-200kg

Product Description

Precision Stainless Steel Part Investment Casting Water Meter Valve Body

Production	Investment casting,Sand casting
Production Process	Drilling holes, Tapping, CNC Machining and Assembly
Surface Treatment	Tumbling, Powder coating, Wet painting, Painting, Anodizing and Polishing
Die casting materials	aluminum alloy, A360, A380, A383, AISi10Mg, AISi9Cu3, ADC3, ADC6, ADC12, ZL104 and ZL107
Company Advantage	1) ODM&OEM according to your drawing.
	2) Small quantity with mixed items is also available
	3) High Precision, New Technology, Competitive Price for Aluminum Die Casting
	4) Advanced die casting machines available.
	5) All kinds of facility, CNC machining, turning, milling, tapping, drilling, polishing, punching, etc...
	6) Competitive Prices, Excellent Service, and Good Lead Time.

Production Flow

About Us

We specialize in Metal Parts Solution for Vehicle, Agriculture machine, Construction Machine, transportation equipment, Valve and Pump system etc.

With keeping manufacturing process design, quality planning, key manufacturing processes and final quality control in house we are mastering key competence to supply quality mechanical parts and assembly to our customers for both Chinese and Export Market .

To satisfy different mechanical and functional requirements from our customers we are making a big range of metal products for our clients on base of different blanks solutions and technologies. These blanks solutions and technologies include processes of Stainless Steel Casting, steel casting and iron sand casting.

Please feel free to contact us if you have any requests.

FAQ

1. what is your quotation element?

Drawing or sample, material, weight, surface treatment and quantity .

2.Are you manufacturer or trader ?

We are manufacturer owing a factory . All the item mentioned in are made by ourself ,but for other items we do not have ,we can look for you from other factories.

3. How to prove that your products are in high quality?

We suggest that you can purchase a sample to check by yourself; or come to our factory for inspection. Of course, we have some testing equipments.Using X-ray Flaw Detector to inspect quantity . Three-coordinates Measuring Instrument test products' measurement ;Hardness tester test the hardness .
