

China OEM Foundry Ductile Iron 400-18 Sand Casting Slew Bush Top

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC0935
- Certification: ISO9001,CE,SGS
- Model Number: 0935
- Minimum Order Quantity: 100 pcs
- Price: CAN TALK
- Packaging Details: Wooden Case
- Delivery Time: 35 days
- Payment Terms: T/T, L/C,
- Supply Ability: 50,000 pcs per month

Product Specification

- Part Name: Slew Bush Top
- Material: Ductile Iron
- Process: Sand Casting
- Standard: DIN,ASTM,GOST,ISO,BS,NADCA
- Size: Customized
- Inspection: 100%

Product Description

China OEM Foundry Ductile Iron 400-18 Sand Casting Slew Bush Top

Product Details

Main blank Process for Casting Iron	Sand Casting , Resin Sand Casting, Green Sand Casting, Shell Molding, Automatic Molding, Lost Wax Casting, Lost Foam Molding Casting etc.
Blanks Casting Tolerance	CT9-10 for Machine Molding Process, CT8-9 for Shell Molding and Lost Foam Molding Casting Process CT10-11 for Manual Molding Sand casting Process
Applicable Material	Ductile Iron, Grey Iron Casting, or as customer request.
Casting Blank Size /Dimensions	2 mm-2000mm / 0.08inch-79inch for casting iron, as per customer requirement
Casting Blank Weight	Range from 0.01kg-1000kg for nodular cast iron
Applicable Machining Process	CNC Machining/ Lathing/ Milling/ Turning/ Boring/ Drilling/ Tapping/ Broaching/ Reaming /Grinding/Honing and etc.
Machining Tolerance	From 0.005mm-0.01mm-0.1mm
Machined Surface Quality	Ra 0.8-Ra3.2, according to customer requirement
Applicable Heat Treatment	Normalization , annealing, quenching and tempering, Case Hardening, Nitriding, Carbon Nitriding, Induction Quenching.
Applicable Finish Surface Treatment	Shot/sand blast, polishing, Surface passivation, Primer Painting , Powder coating, ED- Coating, Chromate Plating, zinc-plate, Dacromat coating, Finish Painting etc.
MOQ per batch	For cast iron: 1pc available for sample test
Lead Time	about 50 days of cast iron

About Us

Sunrise Foundry is a full service company that provides iron casting, steel casting and stainless steel casting for a wide variety of industries and applications.

Our engineer group has over 25 years of international experience providing engineered products or "specials" as well as standards to OEMs and distributors in China, USA, Canada, South Korea, Europe, and Asia. We partner with ISO9001 certified factories and go to great lengths to control and document each step of the production process.

We track each and every step of the development and production processes so that our customers know the status at all times.

OUTER PACKING

Multilayer wooden box with strong bandages, used for standard export package. Or customized as per customer's requirements.

Our Service

Price-- Competitive. We know the market situation.

Quality-- Quality Assurance and Quality Improvement.

We know the importance of material chemical composition, tolerances.

We know the Happiness when we do well, and result when we fail.

Delivery time-- Time Guarantee. We know the loss of our customer when we delay.

Excellent Service-- 24hours answer. 72hours quotation

We answer for any quality issue, if there will be any.

FAQ

1. How long can I get the price?

Prices will be quoted within 24 hours after we get your inquiry with detailed information (including drawings, material, surface treatment,quantity, special requirements,etc).

2.How can I get a sample to check your quality?

On the case of quotation confirmation.Sample will be free of charge for customer approval, freight collect.

3.How long can I expect to get the sample?

It depends on, normally 15 days~30 days (including mould making time). Samples will be shipped by DHL, FedEx, UPS, TNT or EMS,ect.

4.What about the leading time for mass production?

It depends on the order quantity. Normally, 15~40 days after receiving of deposit or L/C.

5.What is your MOQ?

We don't have a strict limit, small quantity is also workable.
