

Vehicle Motorcycle Automotive Engine Balancing Shaft Auto Spare Parts Casting

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC9834
- Certification: ISO9001,CE,SGS
- Model Number: 9834
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Standard
- Delivery Time: 35 days
- Payment Terms: T/T, L/C
- Supply Ability: 50,000 pcs per month

Product Specification

- Part Name: Engine Balancing Shaft
- Material: Ductile Iron
- Process: Sand Casting
- Surface Finish: Polish Finish Or Powder Coated
- Service: OEM ODM Customised
- Quality Control: Strictly 100% Inspection

Product Description

Vehicle Motorcycle Automotive Engine Balancing Shaft Auto Spare Parts Casting

Product Details

Technic	Sand Casting
Material	Ductile iron , Grey iron , Carbon steel , Stainless steel , Alloy steel ,
Unit Weight	0.5kg~300kg
Application	Automotive , Mining , Railway , Medical , Marine , Machinery , Construction equipments , household decoration etc
Standard	ASTM, DIN, ISO, BS, JIS
Certificate	ISO9001, TS16949
Main technics	Green iron sand casting , precoated iron sand casting , clay iron sand casting etc
Molding choice	Hand molding , Machine molding , Auto molding line
Applicable Machining Process	CNC Machining / Lathing / Milling / Turning / Boring / Drilling / Tapping / Broaching / Reaming / Grinding / Honing and etc
Casting Blank Size /Dimensions	2 mm-2000mm
Casting weight range	0.1kg-5000kg
Finish	Shot blasting , Polishing , Surface passivation , Powder coating , Painting , Hot galvanized , Dacromat coating or as request
Production Capacity	150 ton per month for iron sand casting

WorkShop

Our Service

Engineering Services

Conceptual design, Rapid Prototyping, R&D, FIMA, APQP, part production with PPAP, 3D model analysis, independent warehouse. QC,QA and a traceable product data management to meet AQL requirement.

Competitive Price

We are **IATF16949:2016**, **ISO9001:2015** factory and have our own purchasing department and cost control department. We also keep a good reputation and relationship with material supplier.

High Quality Guarantee

All of our operations are strictly compliant with ISO9001 guidelines and VDA five quality management tools. Strict quality control system from raw material, in production and after production. We also have 15% spot check. Distinguished customer inspection are also warmly welcomed.

Product Show

Our Strength

1. Product Material: cast iron or per customers' requirement.
2. Weight for products: 5g to 150kg
3. Strong design team and computer ability, software: Autocad, Solidworks, Pro-E, Mechanical desktop, CAD
4. Surface finish: Oil lighted
5. Provide all documents including control plan, material cert, dimension report, roughness and hardness testing, salt spray
6. Products time: 20~30 days.
7. 24-hour service with prompt reply
8. Process: sanding and CNC machining
9. Low quantity are acceptable.

FAQ

How can I get some samples of Iron casting, cast ductile iron, cast grey iron part?

If you need, we will offer you samples for free, but new customers are expected to pay express charge.

Do you provide customized parts?

Yes, Customers give us drawings and we will manufacture accordingly.

Can you make castings based on our sample of Iron casting, cast ductile iron, cast grey iron and cast steel part?

Yes, we can make measurement based on your samples to make drawings.
