

Precision Steel Lost Wax Casting Boiler Parts And Accessories Grate Bar For Incinerators

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC8734
- Certification: ISO9001,CE,SGS
- Model Number: 8734
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Standard
- Delivery Time: 35 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

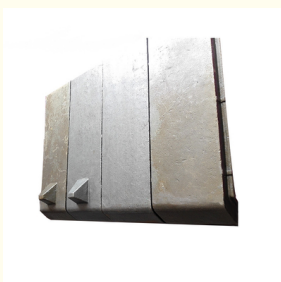

Product Specification

- Item Name: Grate Bar
- Material: Steel
- Application: Boiler Parts And Accessories
- Process: Lost Wax Casting
- Service: OEM ODM
- Dimensions: Customer Required

Product Description

Precision Steel Lost Wax Casting Boiler Parts And Accessories Grate Bar For Incinerators

Product Details

Material	Stainless steel, Carbon steel, Alloy steel
Application	Industry Machinery, Automotive, Electricity
Process	Mould, Casting, CNC Machining
Machining Process	CNC Lathe, CNC milling center
Heat treatment	Annealing, Quench and temper, Solid solution
Surface treatment	Zinc plating, Painting, Powder Coating, Electro polishing
Quality Control	PFMEA, PPAP, APQP, Control Plan, MSA
Machining tolerance	+/-0.005mm, ISO2768-mk
Casting tolerance	CT4-CT9
Certificate	ISO 9001
Testing facilities	Spectrometer, CMM, Callipers, micrometer, projector Load test machine, Hardness tester, roughmeter

About Us

We manufacture precision components for various industries, including medical devices, automobile industry, electronic equipment, aviation field, electrical equipment and other industries. We have rich experience and advanced equipment to escort your products and create high quality products for you.

Quality Control

Quality Control is one of the most important process in production. We insist that 100% inspection before shipment and ensure parts without any flaws when sending out.

We have complete quality inspection facilities including mechanical testing, chemical analysis, tensile strength, hardness, spectrometer, ultrasonic testing, etc.

CMM

Tensile Test Machine

Our Service

1. Your inquiry related to our product & price will be replied within 24 hours. (E-mail or TradeManger)
2. Well-trained & experienced staff are to answer all your inquiries in English.
3. Working time: 8:30am – 5:30pm, Monday to Friday (UTC+8).
4. Your business relationship with us will be confidential to any third party.
5. Good after-sale service offered, please get back if you got question.
6. Welcome to our company.

FAQ

How can I get price?

A1: Send us e-mail/Message, will reply you when we get your information.

What's the leading time?

A2: It depends on quantity, Generally 1-2 weeks for samples, 2-4 weeks for mass production.

Provide OEM services?

A3: Yes, Usually, base on your design drawings or original samples, we give some technical proposals and a quotation to you, after your agreement, we produce for you.

Can you make machining parts based on our samples?

A4: Yes, we can make measurement based on your samples to make drawings for machining parts making.

Is it possible to know how are my products going on without visiting your company?

A5: We will offer detailed production schedule and send weekly reports with digital pictures and videos which show the machining progress.
