

Precision Steel Casting End Cover for Coal Mining Machinery Parts

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: China
- Brand Name: NC08453
- Certification: SIO9001,CE,SGS
- Model Number: 8453
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Part Name: End Cover
- Application: Coal Mining Machinery
- Process: Precision Casting
- Feature: Wearable
- Finish: Customized
- Size: As Per Drawing

Product Description

Precision Steel Casting End Cover for Coal Mining Machinery Parts

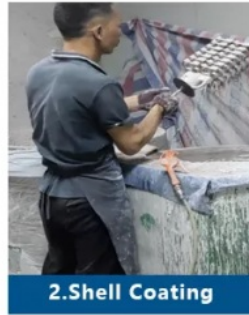

Product Detail

Mainly Material	Stainless Steel, Aluminum, Brass, Copper, Plastic, Wood, Silicone, Rubber, etc.
Service Project	CNC Turning, CNC Milling, Laser Cutting, Bending, Wire Cutting, Plastic Injection, Lost Wax Casting, Mould Making, etc.
Process	Lost Wax Casting + CNC Machining + Surface Treatment
Surface Treatment	Anodizing, Sandblasting, Painting, Powder Coating, Plating, Silk Printing, Brushing, Polishing, Laser Engraving
Casting Tolerance	CT4-CT6 (GB/T 6414), CT7-CT9 (GB/T 6414)
Tolerance	±0.02mm or as drawing requirement
Certification	ISO9001:2015,SGS
Drawing Accepted	Stp, Step, Lgs, Xt, AutoCAD(DXF,DWG), PDF, or Samples
Heat Treatment	Quenching and Tempering, Annealing, Normalizing
Packing	Wooden Cases, Cartons, Pallets and Custom Package
Lead Time	1-2 weeks for samples,3-4 weeks for mass production

Production Process

1.Wax Injection

2.Shell Coating

3.Shell Drying

4.Dewaxing

5.Shell Roasting

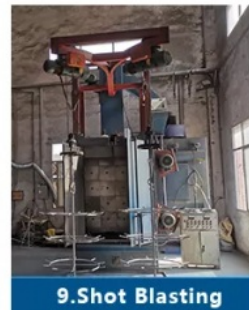

6.Pouring

7.Grinding

8.Repair

9.Shot Blasting

10.CNC Machining

11.Inspection

12.Packing

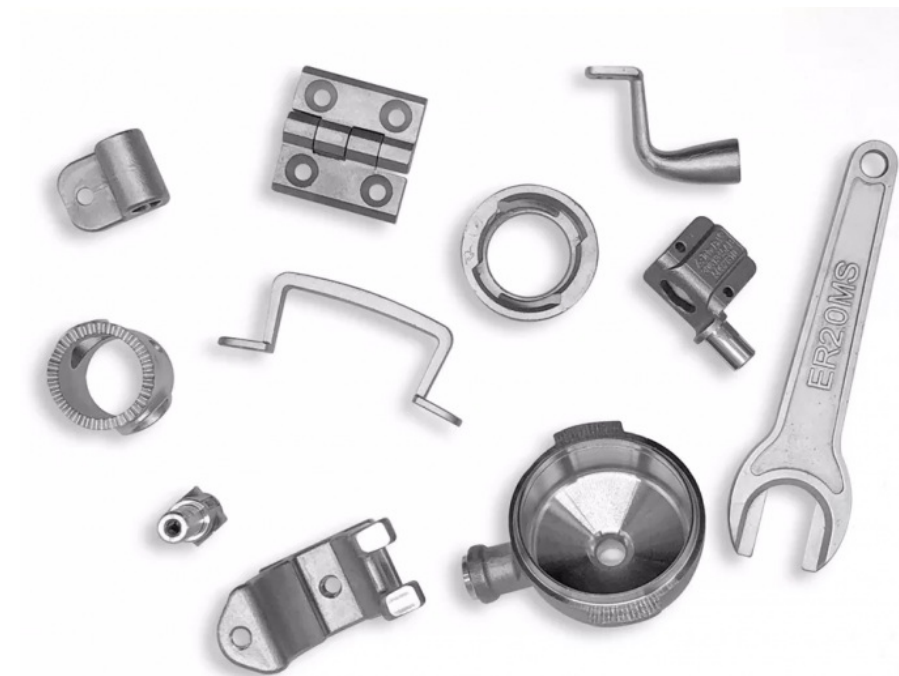

About Us

Sunrise Foundry is specializing in the manufacturing of lost wax investment castings and machined parts in carbon steel and alloy steel, our company is a large-scale professional investment casting foundry with powerful machining capabilities in China.

More than 25 years experience in worldwide business makes us a competitive and efficient foundry in the industry. Our products involve in steel castings, precision castings, iron castings and machining which are mainly available for train, automobile, machine, metal, mining, electronic etc.....They are exported to many countries such as USA, Germany, Japan, Spain, Italy, UK, France, Holland, Australia and etc.

To satisfy different mechanical and functional requirements from our customers, we make a huge range of metal products for our clients base on different solutions and technologies. These solutions and technologies include processes of Steel Casting, Iron Casting, Stainless Steel Casting.

Products Show

Quality Control

Quality Control is one of the most important process in production. We insist that 100% inspection before shipment and ensure parts without any flaws when sending out.

We have complete quality inspection facilities including mechanical testing, chemical analysis, tensile strength, hardness, spectrometer, ultrasonic testing, etc.

CMM

Tensile Test Machine

Our Service

1. Your inquiry related to our product & price will be replied within 24hours. (E-mail or TradeManger)
2. Well-trained & experienced staff are to answer all your inquiries in English.
3. Working time: 8:30am – 5:30pm, Monday to Friday (UTC+8).
4. Your business relationship with us will be confidential to any third party.
5. Good after-sale service offered, please get back if you got question.
6. Welcome to our company.

FAQ

Q. What is payment method?

A: For samples: T/T, western union.

For orders: We prefer T/T, L/C is also acceptable.

Q. Do you offer free samples?

A: We can provide free samples and you should pay the freight. The freight can be returned as long as order placed.

Q. Do you offer OEM service and can you product as our drawings?

A: Yes, make sample according to your drawing, or make drawing according to your requirement.

Q. Do you accept our design on boxes?

A: Yes. We accept custom design on boxes.
