

China OEM Foundry Clay Resin And Coated Sand Ductile Cast Iron Casting

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: China
- Brand Name: NC0930
- Certification: ISO9001,CE,SGS
- Model Number: 0930
- Minimum Order Quantity: 100 PCS
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 50,000 pcs monthly

Product Specification

- Material: Ductile Iron
- Process: Clay Resin And Coated Sand Casting
- Application: Machinery
- Casting Tolerance: As Per Drawing
- Weight: 1kg-20Ton
- Finish: Shot Blasting

Product Description

China OEM Foundry Clay Resin And Coated Sand Ductile Cast Iron Casting

Product Details

Main Process	Sand Casting , Resin Sand Casting, Green Sand Casting, Shell Molding, Automatic Molding
Material	Ductile Iron, Grey Iron, Aluminum or as customer request
Surface Treatment	Shot/sand blast, Polishing, Surface Passivation, Primer Painting , Powder Coating, ED-Coating, Chromate Plating, Zinc Plating, Dacromat Coating, Finish Painting
Casting Size	2 mm-2000mm / 0.08inch-79inch for casting iron, as per customer requirement
Casting Weight	Range from 0.01kg-1000kg
Machining Process	CNC Machining/ Lathing/ Milling/ Turning/ Boring/ Drilling/ Tapping/ Broaching/ Reaming /Grinding/Honing and etc.
Machining Tolerance	From 0.005mm-0.01mm-0.1mm
Drawing Format	jpg/.pdf/.dxf/.dwg/.igs/.stp/x_t. etc
Testing Machine	CMM, Digital Height Gauge, Caliper, Coordinate Measuring Machine, Projecter Machine, Roughness Tester, Hardness Tester and so on
Certificate	ISO9001, CE, TUV, SGS or as your requirement to do test by the third party
Delivery time	10-15 days for sample, 35-40 days for bulk order
Packing	Plywood pallet, plywood box or as per your requirement
Quality Control	Conducted by ISO9001 System and PPAP Quality control documents
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.

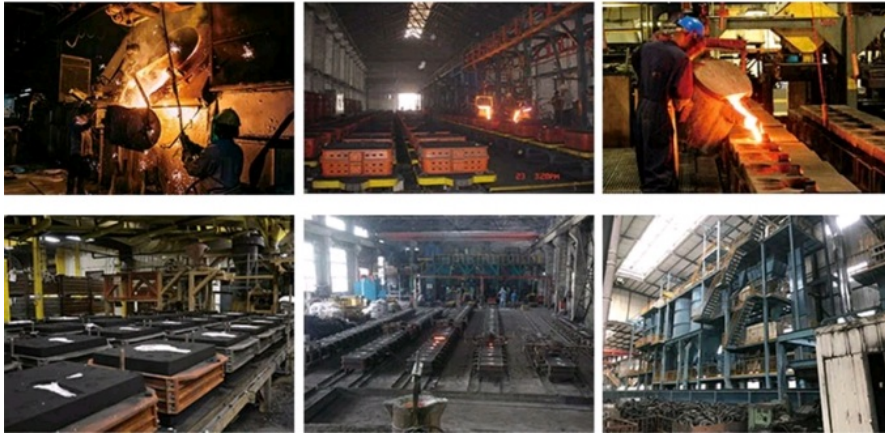

About Us

Sunrise Foundry is a full service company that provides steel castings, iron castings and stainless steel castings for a wide variety of industries and applications. Our engineer group has over 15 years of international experience providing engineered products or "specials" as well as standards to OEMs and distributors in China, USA, Canada, South Korea, Europe, and Asia. We partner with ISO9001 certified factories and go to great lengths to control and document each step of the production process. At TIEN our focus is Quality. We track each and every step of the development and production processes so that our customers know the status at all times.

Quality Control

Quality Control is one of the most important process in production. We insist that 100% inspection before shipment and ensure parts without any flaws when sending out.

We have complete quality inspection facilities including mechanical testing, chemical analysis, tensile strength, hardness, spectrometer, ultrasonic testing, etc.

CMM

Tensile Test Machine

FAQ

Can you make casting according to our drawing?

Yes, we can make casting according to your drawing, 2D drawing, or 3D cad model. If the 3D cad model

Can be supplied, the development of the tooling can be more efficient. But without 3D, based on 2D drawing we can still make the samples properly approved.

Can you make casting based on our samples?

Yes, we can make measurement based on your samples to make drawings for tooling making.

What's your quality control device in house?

We have spectrometer in house to monitor the chemical property, tensile test machine to control the mechanical property and UT Sonic as NDT checking method to control the casting detect under the surface of casting.
