

## Ductile Cast Iron Sand Casting Hydraulic Cylinder Base for Forklift

Our Product Introduction

for more products please visit us on [greycastironcasting.com](http://greycastironcasting.com)

### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC8735
- Certification: ISO9001,CE,SGS
- Model Number: 8735
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 35 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

### Product Specification

- Item Name: Hydraulic Cylinder Base
- Material: Ductile Iron
- Application: Forklift Industry
- Finish: Shot Blasting
- Size: Customized
- Inspection: 100%

## Product Description

### Ductile Cast Iron Sand Casting Hydraulic Cylinder Base for Forklift

#### Product Details

Product Name	Hydraulic Cylinder Base for Forklift
Material	QT450-10
Color	Customized
Standard	65-45-12
Grade	QT400-18,QT450-10,QT600-3,QT700-2
Weight	9.8KG
Surface Treatment	Oxidation, Plating zinc, Painting, Hot galvanized, Electroplating, Sand blasting
Used	Forklift

#### About Us

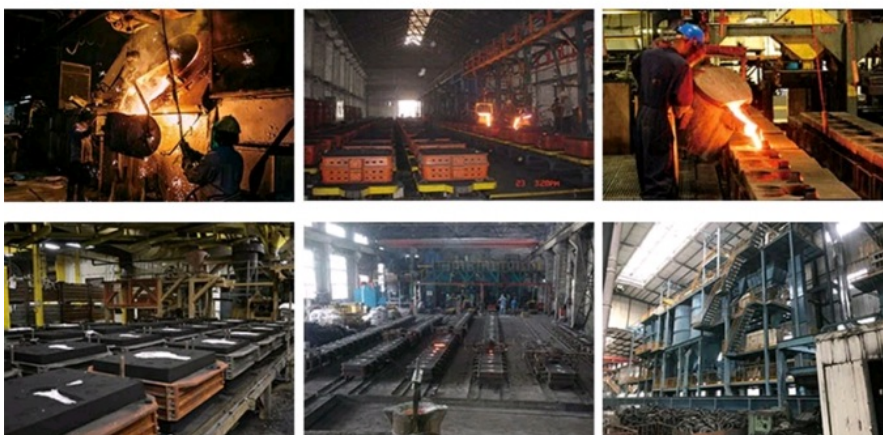

Sunrise Foundry is a full service company that provides steel casting, iron casting, stainless steel casting for a wide variety of industries and applications.

Our engineer group has over 15 years of international experience providing engineered products or "specials" as well as standards to OEMs and distributors in China, USA, Canada, South Korea, Europe, and Asia.

We partner with ISO9001 certified factories and go to great lengths to control and document each step of the production process. We track each and every step of the development and production processes so that our customers know the status at all times.

## PACKAGING&DELIVERY

### PACKAGING&DELIVERY:

- IN ORDER TO ENSURE THAT THE PRODUCTS WILL NOT BE DAMAGED IN TRANSPORTATION, WE STRICTLY FOLLOW THE PACKAGING PROCESS TO CONTROL:

- (1)The goods are in the order in the carton
- (2)Protection with PE foam or bubble film
- (3)Paste the bar code on the outer box.
- (4)Put the goods on the tray
- (5)Put the goods into wooden case
- (6)Loading cabinet

### FAQ

Can you make casting according to our drawing?

Yes, we can make casting according to your drawing, 2D drawing, or 3D cad model. If the 3D cad model

Can be supplied, the development of the tooling can be more efficient. But without 3D, based on 2D drawing we can still make the samples properly approved.

Can you make casting based on our samples?

Yes, we can make measurement based on your samples to make drawings for tooling making.

What's your quality control device in house?

We have spectrometer in house to monitor the chemical property, tensile test machine to control the mechanical property and UT Sonic as NDT checking method to control the casting detect under the surface of casting.
