

Ductile Iron Casting Hand Pallet Truck Left and Right Forklift Wheel Carrier

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC0835
- Certification: ISO9001,CE,SGS
- Model Number: 0835
- Minimum Order Quantity: 100 PCS
- Price: Can talk
- Packaging Details: Customized
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs mothly

Product Specification

- Part Name: Wheel Carrier
- Material: Ductile Iron
- Process: Sand Casting
- Application: Forklift Industry
- Dimensions: Customized
- Service: OEM

Factory Introduction

Sunrise Foundry is a professional Metal Foundry, located in Ningbo. We have been producing Gray Iron, Ductile Iron Castings and any other precision castings for more than 25 years.

We are dedicated to meet different requirements of various customers across the world, products are mainly involved Agricultural and Construction Machinery, Hydraulic, Mining industry, Municipal Products, some steel and stainless steel castings for Pumps and Valves, Pipe Fittings, etc.

Please feel free to contact us if you have any requests.

Our Advantages

Over 25 years experience

High quality control, Lean management, Competitive price, Delivery on time.

Small quantity & Large quantity acceptable
OEM available
Adequate free capacity

Quality Control

CMM

Tensile Test Machine

FAQ

Question 1: Do you have ready stock or only do custom order?

Answer: We mainly do custom order according to customers' designs or samples, and a few existing models can be directly ordered for production.

Question 2: What kind of materials can you do?

Answer: We can produce stainless steel, iron, carbon steel, alloy steel, brass, cupronickel, copper and other materials needed by our customer.

Question 3: Which drawings and file formats can you accept?

Answer: We can accept a variety of drawing formats, but the main formats are as follow:
2D, PDF and DWG, 3D, STL, IGES, STEP, Solidworks, etc...

Question 4: What is the delivery time for new mold and its sample?

Answer: Our delivery time depends on casting and finishing requirements, but usually The mold and sample time is 10-15 days, and the mess production is usually 25-30 days after receiving the deposit. For urgent orders, please discuss with us!

Question 5: Is it possible to visit your factory and check your manufacturing process?

Answer: We sincerely welcome our customer to visit our factory. I believe you will leave a deep impression, we will discuss and learn together to make up for our shortcomings.
