

Gray Casting Iron Parts Textile Machinery Spare Parts Casting

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC3633
- Certification: ISO9001,CE,SGS
- Model Number: 3633
- Minimum Order Quantity: 100 PCS
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Material: GG20
- Application: Textile Machinery
- Process: Resin Sand Casting
- Standard: GB ASTM AISI DIN BS
- Dimension: Customized Sizes
- Surface Treatment: Anti-rust Oil/painting

About Us

Our company can supply various Precision Casting Parts (OEM) according to the customers' drawings and requirements. Please offer us your enquiry with detailed drawings, specifications, unit weight, quality requirements and pictures. We will supply you not only the products with good quality but also competitive price and satisfactory service!

Production Show

Quality Control

Quality Control is one of the most important process in production. We insist that 100% inspection before shipment and ensure parts without any flaws when sending out.

We have complete quality inspection facilities including mechanical testing, chemical analysis, tensile strength, hardness, spectrometer, ultrasonic testing, etc.

CMM

Tensile Test Machine

Our Service

1. We take every order seriously no matter small or big.
2. Our lead time is much shorter than any other dealers.
3. Extremely low MPQ (minimum packing quantities).
4. Factory price.
5. All engines and spare parts can be verified in Cummins system.
6. Well-rounded packaging to make sure all goods safe in shipping.
7. Professional team with 10 years working experience in this industry.

FAQ
