

## OEM High Quality Ductile Iron Sand Casting Railway Train Parts

Our Product Introduction

for more products please visit us on [greycastironcasting.com](http://greycastironcasting.com)

### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC4633
- Certification: ISO9001,CE,SGS
- Model Number: 4633
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Crate
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 50,000 pcs monthly

### Product Specification

- Item Name: Railway Train Parts
- Material: Ductile Iron
- Process: Sand Casting
- Standard: GB ASTM AISI DIN BS
- Dimension: Customized Sizes
- Finish: Anti-rust Oil/painting

## Product Description

### OEM High Quality Ductile Iron Sand Casting Railway Train Parts

#### Product Details

<b>OEM casting</b>	According to the customer's drawing and requirements
<b>Application</b>	Metal Parts Solution for Automobile Vehicle, Agriculture machine, Construction Machine, Valve and Pump systems, such as various cases, tractor parts, diesel engine parts, engine bracket, truck chassis bracket, gear box , gear housing , gear cover, shaft, spline shaft , pulley, flange, connection pipe, pipe, valve housing ,Fitting , flange, wheel, flywheel, oil pump housing, starter housing, coolant pump housing, transmission shaft , transmission gear housing etc.
<b>Standard</b>	ASTM, ANSI, DIN, GB, NF, ISO, BS, JIS
<b>Casting process</b>	water-glass sand casting, water-glass investment casting, lost-wax investment casting, clay sand casting, furan resin sand casting, shell Casting, die casting
<b>Our Material</b>	stainless steel, carbon steel, low alloy steel, ductile iron, gray cast iron, aluminum alloy
<b>Casting Blank Weight</b>	Range from 0.01kg-1000kg for casting iron
<b>Dimensions</b>	2 mm-1200mm / 0.08inch-48inch for casting iron, as customers request
<b>Inspection</b>	Ultrasonic test, magnetic particle test, tensile test, X-ray test, Liquid penetrate test, etc.
<b>Surface treatment</b>	Anti-rust oil,coating , zinc-plating ,phosphating, epoxy spray coating, anodic oxidation treatment, plating or as per requirements
<b>Packaging</b>	European pallet, wooden case, paper box etc or as customers' requirements.

Our Workshop

## Our Workshop

**Automatic Molding Machine**

**Automatic Molding Line**

**Precoated Resin Sand Core**

**Machining Workshop**

### Factory Introduction

Sunrise Foundry specializing in manufacturing and exporting of machinery parts. With our fully owned manufacturing plants that all certificated with ISO9001 and TS16949, we can undertake processes such as CNC machining, investment casting, lost foam casting, steel forging, stamping, fabrication.

We are committed to team the talents, integrate industry resources, and strive to further develop into a great enterprise of machinery parts and equipment. We look forward to working with you to create a better future.

### Quality Control

Quality Control is one of the most important process in production. We insist that 100% inspection before shipment and ensure parts without any flaws when sending out.

We have complete quality inspection facilities including mechanical testing, chemical analysis, tensile strength, hardness, spectrometer, ultrasonic testing, etc.

Tensile Test Machine

### FAQ

1. What is your payment term ?

T/T, L/C, Western Union, PayPal, Trade Assurance etc...

**2. What is your delivery time for this order ?**

Normally our delivery time is 30-35 days. It also should be depend on what kind of product and the quantity you require. But if we have the products in stock, then the delivery time will be in about 10 days or less.

**3. Can you send me samples then I can feel your quality ?**

Yes, of course. Free samples are available.

**4. Can you accept customized orders?**

Yes, any customized product is available. You can directly send us your design product draft to us, then we will discuss with our professional designers and confirm all right information to you.

**5. Can you add our own logo on the products?**

Yes. We offer the service of adding customers' logo on the products. There are many types of this service.

If you have this need, welcome to contact me!

**6. Are you making by yourself ?**

Yes, we are. We have our own factory and showroom. Warmly welcome to visiting our factory at any time. We can also pick you up at airport and station.
