

Ductile Iron QT500-7 Sand Casting Crane Parts Casting

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC6357
- Certification: ISO9001,CE,SGS
- Model Number: 6357
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Material: Ductile Iron
- Application: Crane
- Process: Sand Casting
- Surface: Sandblasting
- Size: Customized
- Inspection: 100%

Product Description

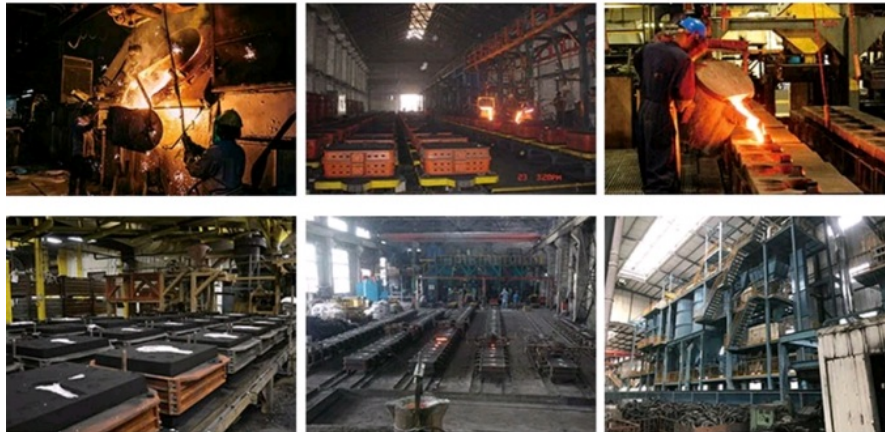

Ductile Iron QT500-7 Sand Casting Crane Parts Casting

Product Detail

Specification	Customized, customer required, customer's drawings
Material	Cast steel/Ductile iron/Gray iron
Application	Automobile, agricultural machinery, furniture, construction, etc
Process	Sand casting, Coated sand casting, Shell mold casting, Lost foam casting, V-process, Centrifugal casting, Ceramic Casting, etc.
Machining	CNC machining center, CNC lathe
Standard	DIN, AISI, SAE, ASTM, UNS, GOST, ISO, BS, EN, JIS
Heat treatment	Thermal refining, Induction hardening, ADI
Unit weight	100g-300kg
Dimensions	<=15m
Production Experience	More Than Twenty Years
Certificate	ISO9001
Finish	Plating, Painting, Powder Coating, Shot Blasting, etc
Quality control	FEMA, PPAP, APQP, Control Plan, MSA, Test reports for every delivery

Factory Introduction

Sunrise Foundry is a professional sand casting factory in China, with over 20 years sand casting production experience, machining and exporting capability. Sunrise manufactures consistent high-quality sand castings for OEMs throughout North America and Europe. Diversification is the key to flexibility, Green Sand Moulding, air-set sand moulding processes are utilized to produce the highest quality castings.

Quality Inspection

Our company also has the most advanced and complete inspection equipment in the casting industry, including Spectrometer, Metallographic Microscope, Tension Tester, Low Temperature Tester, X-ray Tester, MPT, UT, CMM, Video Measurement Machine and so on.

With these advanced facilities & instruments, we are able to supply the most precise finished products to our customers, and make products meeting their overall inspection requirements on chemical composition, mechanical properties, non-destructive testing and high precise dimensional inspections. Our company also has the most advanced and complete inspection equipment in the casting industry, including Spectrometer, Metallographic Microscope, Tension Tester, Low Temperature Tester, X-ray Tester, MPT, UT, CMM, Video Measurement Machine and so on.

FAQ

1. How is your price?

Although we have brand-name products, our prices are very favorable and competitive. Because of our best price, customers from all over the world come to purchase our products,

2. How long is your warranty?

Our Warranty is 12 month.

3. What's your payment?

- 1) 100% T/T
- 2) 30% in advance, others before shipment.
- 3) Letter of credit.

4. Could you specially design and produce for clients?

Sure, we have all kinds of professional engineers. We can design and produce special products according to customers' request. Such as: special size, special control, OEM, etc.

5. What's your main market?

Our main market is African, Middle East Countries, South American, Asian.
